

1.1 Children's rights and entitlements

Policy statement

- We promote children's right to be strong, resilient and listened to by creating an environment in our setting that encourages children to develop a positive self-image, which includes their heritage arising from their colour and ethnicity, their languages spoken at home, their religious beliefs, cultural traditions and home background.
- We promote children's right to be strong, resilient and listened to by encouraging children to develop a sense of autonomy and independence.
- We promote children's right to be strong, resilient and listened to by enabling children to have the self-confidence and the vocabulary to resist inappropriate approaches.
- We help children to establish and sustain satisfying relationships within their families, with peers, and with other adults.
- We work with parents to build their understanding of, and commitment to, the principles of safeguarding all our children.

What it means to promote children's rights and entitlements to be '*strong, resilient and listened to*':

To be strong means to be:

- secure in their foremost attachment relationships, where they are loved and cared for by at least one person who is able to offer consistent, positive and unconditional regard and who can be relied on;
- safe and valued as individuals in their families and in relationships beyond the family, such as day care or school;
- self-assured and form a positive sense of themselves – including all aspects of their identity and heritage;
- included equally and belong in our setting and in community life;
- confident in their own abilities and proud of their achievements;
- progressing optimally in all aspects of their development and learning;
- part of a peer group in which they learn to negotiate, develop social skills and an identity as global citizens, respecting the rights of others in a diverse world; and
- able to represent themselves and participate in aspects of service delivery that affects them, as well as aspects of key decisions that affect their lives.

To be resilient means to:

- be sure of their self-worth and dignity;
- be able to be assertive and state their needs effectively;
- be able to overcome difficulties and problems;
- be positive in their outlook on life;
- be able to cope with challenge and change;
- have a sense of justice towards themselves and others;
- develop a sense of responsibility towards themselves and others; and
- be able to represent themselves and others in key decision making processes.

To be listened to means:

- adults who are close to children recognise their need and right to express and communicate their thoughts, feelings and ideas;
- adults who are close to children are able to tune in to their verbal, sign and body language in order to understand and interpret what is being expressed and communicated;
- adults who are close to children are able to respond appropriately and, when required, act upon their understanding of what children express and communicate; and
- adults respect children's rights and facilitate children's participation and representation in imaginative and child centred ways in all aspects of core services.

1.3 Looked after children

Policy statement

We are committed to providing quality provision based on equality of opportunity for all children and their families. All staff in [our/my] provision are committed to doing all they can to enable 'looked after' children in our care to achieve and reach their full potential.

Children become 'looked after' if they have either been taken into care by the local authority, or have been accommodated by the local authority (a voluntary care arrangement). Most looked after children will be living in foster homes, but a smaller number may be in a children's home, living with a relative or even placed back home with their natural parent(s).

We recognise that children who are being looked after have often experienced traumatic situations; physical, emotional or sexual abuse or neglect. However, We also recognise that not all looked after children have experienced abuse and that there are a range of reasons for children to be taken in to the care of the local authority. Whatever the reason, a child's separation from their home and family signifies a disruption in their lives that has an impact on their emotional well-being. Most local authorities do not place children under five with foster carers who work outside the home; however, there are instances when this does occur or where the child has been placed with another family member who works. It is not appropriate for a looked after child who is under two years to be placed in a day care setting in addition to a foster placement.

We place emphasis on promoting children's right to be strong, resilient and listened to. [Our/my] policy and practice guidelines for looked after children are based on two important concepts: attachment and resilience. The basis of this is to promote secure attachments in children's lives, as the foundation for resilience. These aspects of well-being underpin the child's responsiveness to learning and enable the development of positive dispositions for learning. For young children to get the most out of educational opportunities they need to be settled enough with their carer to be able to cope with further separation, a new environment and new expectations made upon them.

Principles

- The term 'looked after child' denotes a child's current legal status; this term is never used to categorise a child as standing out from others. We do not refer to such a child using acronyms such as LAC.
- We do not normally offer placements for babies and children under two years who are in care; We offer instead other services to enable a child to play and engage with other children while their carer stays with them.
- In exceptional circumstances, We offer places to two-year-old children who are in care. In such cases, the child should have been with the foster carer for at least two months and show signs of having formed a secure attachment to the carer, and the placement in the setting will last a minimum of three months.
- We offer places for funded three and four-year-olds who are in care to ensure they receive their entitlement to early education. We expect that a child will have been with a foster carer for a minimum of one month and that they will have formed a secure attachment to the carer. We expect that the placement in the setting will last a minimum of six weeks.
- We will always offer 'stay and play' provision for a child who is two to five years old who is still settling with their foster carer, or who is only temporarily being looked after.

- Where a child who normally attends [Our/my] setting is taken into care and is cared for by a local foster carer, We will continue to offer the placement for the child.

Procedures

- The designated person for looked after children is the designated child protection co-ordinator.
- Every child is allocated a key person before they start and this is no different for a looked after child. The designated person ensures the key person has the information, support and training necessary to meet the looked after child's needs.
- The designated person and the key person liaise with agencies, professionals and practitioners involved with the child and his or her family and ensure that appropriate information is gained and shared.
- The setting recognises the role of the local authority children's social care department as the child's 'corporate parent' and the key agency in determining what takes place with the child. Nothing changes, especially with regard to the birth parent's or foster carer's role in relation to the setting, without prior discussion and agreement with the child's social worker.
- At the start of a placement there is a professional's meeting to determine the objectives of the placement and draw up a care plan that incorporates the child's learning needs. This plan is reviewed after two weeks, six weeks and three months. Thereafter at three to six monthly intervals.
- The care plan needs to consider issues for the child such as:
 - their emotional needs and how they are to be met;
 - how any emotional issues and problems that affect behaviour are to be managed;
 - their sense of self, culture, language(s) and identity – and how this is to be supported;
 - their need for sociability and friendship;
 - their interests and abilities and possible learning journey pathway; and
 - how any special needs will be supported.
- In addition the care plan will also consider:
 - how information will be shared with the foster carer and local authority (as the 'corporate parent') as well as what information is shared with whom and how it will be recorded and stored;
 - what contact the child has with his/her birth parent(s) and what arrangements will be in place for supervised contact. If this is to be at the setting, when, where and what form the contact will take will be discussed and agreed;
 - what written reporting is required;
 - wherever possible, and where the plan is for the child to return home, the birth parent(s) should be involved in planning; and
 - with the social worker's agreement, and as part of the plan, the birth parent(s) should be involved in the setting's activities that include parents, such as outings and fun-days etc alongside the foster carer.
- The settling-in process for the child is agreed. It should be the same as for any other child, with the foster carer taking the place of the parent, unless otherwise agreed. It is even more important that the 'proximity' stage is followed until it is visible that the child has formed a sufficient relationship with his or her key person for them to act as a 'secure base' to allow the gradual separation from the foster carer. This process may take longer in some cases, so time needs to be allowed for it to take place without causing further distress or anxiety to the child.
- In the first two weeks after settling-in, the child's well-being is the focus of observation, their sociability and their ability to manage their feelings with or without support.

- Further observations about communication, interests and abilities will be noted to form a picture of the whole child in relation to the Early Years Foundation Stage prime and specific areas of learning and development.
- Concerns about the child will be noted in the child's file and discussed with the foster carer.
- If the concerns are about the foster carer's treatment of the child, or if abuse is suspected, these are recorded in the child's file and reported to the child's social care worker according to the setting's safeguarding children procedure.
- Regular contact should be maintained with the social worker through planned meetings that will include the foster carer.
- The transition to school will be handled sensitively. The designated person and/or the child's key person will liaise with the school, passing on relevant information and documentation with the agreement of the looked after child's birth parents.

1.5 Missing child

Policy statement

Children's safety is our highest priority, both on and off the premises. Every attempt is made, through the implementation of our outings procedure and our exit/entrance procedure, to ensure the security of children is maintained at all times. In the unlikely event of a child going missing, our missing child procedure is followed.

Procedures

Child going missing on the premises

- As soon as it is noticed that a child is missing, the child's key person alerts our setting manager.
- The register is checked to make sure no other child has also gone astray.
- Our manager will carry out a thorough search of the site.
- Gates are checked to see if there has been a breach of security whereby a child could wander out.
- If the child is not found, our manager calls the police immediately and reports the child as missing. If it is suspected that the child may have been abducted, the police are informed of this.
- The parent(s) are then called and informed.
- A recent photo and a note of what the child is wearing is given to the police.
- Our manager talks to our staff to find out when and where the child was last seen and records this.
- Our manager contacts our other director (if they are not already on site) and reports the incident. Our director comes to the provision immediately to carry out an investigation.

Child going missing on an outing

This describes what to do when our staff have taken a small group on an outing, leaving our manager and/or other staff back in our setting premises. If our manager has accompanied children on the outing, or for a sole childminder, the procedures are adjusted accordingly. What to do when a child goes missing from a whole group outing may be a little different, as parents usually attend and are responsible for their own child.

- As soon as it is noticed that a child is missing, the staff members on the outing ask children to stand with their designated carer and carry out a headcount to ensure that no other child has gone astray.
- One staff member searches the immediate vicinity, but does not search beyond that.
- Our senior staff member on the outing contacts the police and reports that child as missing.
- Our manager is contacted immediately (if not on the outing) and the incident is recorded.
- Our manager contacts the parent(s).
- Our staff take the remaining children back to the setting as soon as possible.
- According to the advice of the police, a senior member of staff, or our manager where applicable, should remain at the site where the child went missing and wait for the police to arrive.
- A recent photo and a description of what the child is wearing is given to the police.

- Our manager contacts our director and reports the incident. Our director comes to our premises immediately to carry out an investigation.
- Our staff keep calm and do not let the other children become anxious or worried.

The investigation

- Ofsted are informed as soon as possible and kept up-to-date with the investigation.
- Our director carries out a full investigation, taking written statements from all our staff and volunteers who were present.
- Our manager, together with other director, speaks with the parent(s) and explains the process of the investigation.
- The parent(s) may also raise a complaint with us or Ofsted.
- Each member of staff present writes an incident report detailing:
 - The date and time of the incident.
 - Where the child went missing from e.g. the setting or an outing venue.
 - Which staff/children were in the premises/on the outing and the name of the staff member who was designated as responsible for the missing child.
 - When the child was last seen in the premises/or on the outing, including the time it is estimated that the child went missing.
 - What has taken place in the premises or on the outing since the child went missing.
 - The report is counter-signed by the senior member of staff and the date and time added.
- A conclusion is drawn as to how the breach of security happened.
- If the incident warrants a police investigation, all our staff co-operate fully. In this case, the police will handle all aspects of the investigation, including interviewing staff and parents. Children's social care may be involved if it seems likely that there is a child protection issue to address.
- In the event of disciplinary action needing to be taken, Ofsted are advised.
- The insurance provider is informed.

Managing people

- Missing child incidents are very worrying for all concerned. Part of managing the incident is to try to keep everyone as calm as possible.
- Our staff will feel worried about the child, especially the key person or the designated carer responsible for the safety of that child for the outing. They may blame themselves and their feelings of anxiety and distress will rise as the length of time the child is missing increases.
- They may be the understandable target of parental anger and they may be afraid. Our manager ensures that any staff under investigation are not only fairly treated, but receive support while feeling vulnerable.
- The parents will feel angry, and fraught. They may want to blame our staff and may single out one staff member over others; they may direct their anger at our manager. When dealing with a distraught and angry parent, there should always be two members of staff one of whom is our manager and the other should be our director. No matter how understandable the parent's anger may be, aggression or threats against our staff are not tolerated, and the police should be called.
- The other children are also sensitive to what is going on around them. They too may be worried. Our remaining staff caring for them need to be focused on their needs and must not discuss the incident in front of them. They should answer children's questions honestly, but also reassure them.

1.6 Online safety (inc. mobile phones and cameras)

Policy statement

We take steps to ensure that there are effective procedures in place to protect children, young people and vulnerable adults from the unacceptable use of Information Communication Technology (ICT) equipment or exposure to inappropriate materials in the setting.

Procedures

- Our designated person (manager/deputy) responsible for co-ordinating action taken to protect children is: **Lewis Ames**
-

Information Communication Technology (ICT) equipment

- Only ICT equipment belonging to the setting is used by staff and children.
- The designated person is responsible for ensuring all ICT equipment is safe and fit for purpose.
- All computers have virus protection installed.
- The designated person ensures that safety settings are set to ensure that inappropriate material cannot be accessed.

Internet access

- Children do not normally have access to the internet and never have unsupervised access.
- If staff access the internet with children for the purposes of promoting their learning, written permission is gained from parents who are shown this policy.
- The designated person has overall responsibility for ensuring that children and young people are safeguarded and risk assessments in relation to online safety are completed.
- Children are taught the following stay safe principles in an age appropriate way prior to using the internet:
 - only go on line with a grown up
 - be kind on line
 - keep information about me safely
 - only press buttons on the internet to things I understand
 - tell a grown up if something makes me unhappy on the internet
- Designated persons will also seek to build children's resilience in relation to issues they may face in the online world, and will address issues such as staying safe, having appropriate friendships, asking for help if unsure, not keeping secrets as part of social and emotional development in age appropriate ways.
- If a second hand computer is purchased or donated to the setting, the designated person will ensure that no inappropriate material is stored on it before children use it.
- All computers for use by children are located in an area clearly visible to staff.
- Children are not allowed to access social networking sites.

- Staff report any suspicious or offensive material, including material which may incite racism, bullying or discrimination to the Internet Watch Foundation at www.iwf.org.uk.
- Suspicions that an adult is attempting to make inappropriate contact with a child on-line is reported to the National Crime Agency's Child Exploitation and Online Protection Centre at www.ceop.police.uk.
- The designated person ensures staff have access to age-appropriate resources to enable them to assist children to use the internet safely.
- If staff become aware that a child is the victim of cyber-bullying, they discuss this with their parents and refer them to sources of help, such as the NSPCC on 0808 800 5000 or www.nspcc.org.uk, or Childline on 0800 1111 or www.childline.org.uk.

Email

- Children are not permitted to use email in the setting. Parents and staff are not normally permitted to use setting equipment to access personal emails.
- Staff do not access personal or work email whilst supervising children.
- Staff send personal information by encrypted email and share information securely at all times.

Mobile phones – children

- Children do not bring mobile phones or other ICT devices with them to the setting. If a child is found to have a mobile phone or ICT device with them, this is removed and stored in the on site cabin until the parent collects them at the end of the session.

Mobile phones – staff and visitors

- Personal mobile phones are not used by our staff on the premises during working hours. They will be stored in the on site cabin.
- In an emergency, personal mobile phones may be used in an area where there are no children present, with permission from the manager.
- Our staff and volunteers ensure that the setting telephone number is known to family and other people who may need to contact them in an emergency.
- If our members of staff or volunteers take their mobile phones on outings, for use in case of an emergency, they must not make or receive personal calls, or take photographs of children.
- Parents and visitors are requested not to use their mobile phones whilst on the premises. We make an exception if a visitor's company or organisation operates a lone working policy that requires contact with their office periodically throughout the day. Visitors will be advised of a quiet space where they can use their mobile phone, where no children are present.
- These rules also apply to the use of work-issued mobiles, and when visiting or supporting staff in other settings.

Cameras and videos

- Our staff and volunteers must not bring their personal cameras or video recording equipment into the setting.
- Photographs and recordings of children are only taken for valid reasons i.e. to record their learning and development, or for displays within the setting, with written permission received by parents (see the Registration form). Such use is monitored by the manager.

- Where parents request permission to photograph or record their own children at special events, general permission is gained from all parents for their children to be included. Parents are advised that they do not have a right to photograph anyone else's child or to upload photos of anyone else's children.
- If photographs of children are used for publicity purposes, parental consent must be given and safeguarding risks minimised, for example, ensuring children cannot be identified by name or through being photographed in a sweatshirt with the name of their setting on it.

Social media

- Staff are advised to manage their personal security settings to ensure that their information is only available to people they choose to share information with.
- Staff should not accept service users, children and parents as friends due to it being a breach of expected professional conduct.
- In the event that staff name the organisation or workplace in any social media they do so in a way that is not detrimental to the organisation or its service users.
- Staff observe confidentiality and refrain from discussing any issues relating to work
- Staff should not share information they would not want children, parents or colleagues to view.
- Staff should report any concerns or breaches to the designated person in their setting.
- Staff avoid personal communication, including on social networking sites, with the children and parents with whom they act in a professional capacity. If a practitioner and family are friendly prior to the child coming into the setting, this information is shared with the manager prior to a child attending and a risk assessment and agreement in relation to boundaries is agreed.

Electronic learning journals for recording children's progress

- Managers seek permission from the senior management team prior to using any online learning journal. A risk assessment is completed with details on how the learning journal is managed to ensure children are safeguarded.
- Staff adhere to the guidance provided with the system at all times.

Use and/or distribution of inappropriate images

- Staff are aware that it is an offence to distribute indecent images. In the event of a concern that a colleague or other person is behaving inappropriately, the Safeguarding Children and Child Protection policy, in relation to allegations against staff and/or responding to suspicions of abuse, is followed
- Staff are aware that grooming children and young people on line is an offence in its own right and concerns about a colleague's or others' behaviour are reported (as above).

Safeguarding Children (2013)

Employee Handbook (2012)

2.1 Employment

Policy statement

We meet the Safeguarding and Welfare Requirements of the Early Years Foundation Stage, ensuring that our staff and volunteers are appropriately qualified, and We carry out checks for criminal and other records through the Disclosure and Barring Service (DBS) in accordance with statutory requirements.

Procedures

Vetting and staff selection

- We work towards offering equality of opportunity by using non-discriminatory procedures for staff recruitment and selection.
- All our staff have job descriptions, which set out their roles and responsibilities.
- We welcome applications from all sections of the community. Applicants will be considered on the basis of their suitability for the post, regardless of disability, gender reassignment, pregnancy and maternity, race, religion or belief, sexual orientation, sex, age, marriage or civil partnership. Applicants will not be placed at a disadvantage by our imposing conditions or requirements that are not justifiable.
- We follow the requirements of the Early Years Foundation Stage and Ofsted guidance on checking the suitability of all staff and volunteers who will have unsupervised access to children. This includes obtaining references and ensuring they have a satisfactory enhanced criminal records check with barred list(s) check through the DBS. This is in accordance with requirements under the Safeguarding Vulnerable Groups Act (2006) and the Protection of Freedoms Act (2012) for the vetting and barring scheme.
- Where an individual is subscribed to the DBS Update Service we carry out a status check of their DBS certificate, after checking their identity and viewing their original enhanced DBS certificate to ensure that it does not reveal any information that would affect their suitability for the post.
- We keep all records relating to the employment of our staff and volunteers; in particular those demonstrating that suitability checks have been done, including the date of issue, name, type of DBS check and unique reference number from the DBS certificate, along with details of our suitability decision.
- We require that all our staff and volunteers keep their DBS check up-to-date by subscribing to the DBS Update Service throughout the duration of their employment with us.
- Our staff are expected to disclose any convictions, cautions, court orders, reprimands and warnings which may affect their suitability to work with children – whether received before, or at any time during, their employment with us.
- We obtain consent from our staff and volunteers to carry out on-going status checks of the Update Service to establish that their DBS certificate is up-to-date for the duration of their employment with us.
- Where we become aware of any relevant information which may lead to the disqualification of an employee, we will take appropriate action to ensure the safety of children. In the event of disqualification, that person's employment with us will be terminated.

Notifying Ofsted of changes

- We inform Ofsted of any changes to our Registered Person (trustees/director(s)/owner(s) our provision) and/or our manager.

Training and staff development

- Our manager and deputy hold the CACHE Level 3 Diploma for the Children and Young People's Workforce or an equivalent qualification and at least half of our other staff members hold the CACHE Level 2 Certificate for the Children and Young People's Workforce or an equivalent or higher qualification.
- We provide regular in-service training to all our staff - whether paid staff or volunteers - through the Pre-school Learning Alliance and external agencies.
- Our budget allocates resources to training.
- We provide our staff with induction training in the first week of their employment. This induction includes our Health and Safety Policy and Safeguarding Children and Child Protection Policy. Other policies and procedures are introduced within an induction plan.
- We support the work of our staff by holding regular supervision meetings and appraisals.
- We are committed to recruiting, appointing and employing staff in accordance with all relevant legislation and best practice.

Staff taking medication/other substances

- If a member of staff is taking medication which may affect their ability to care for children, We ensure that they seek further medical advice. our staff will only work directly with the children if medical advice confirms that the medication is unlikely to impair their ability to look after children properly.
- Staff medication on the premises will be stored securely and kept out of reach of the children at all times.
- If We have reason to believe that a member of our staff is under the influence of alcohol or any other substance that may affect their ability to care for children, they will not be allowed to work directly with the children and further action will be taken.

Managing staff absences and contingency plans for emergencies

- Our staff usually take their holiday breaks when the setting is closed. Where a staff member may need to take time off for any reason other than sick leave or training, this is agreed with our manager/with sufficient notice.
- Where our staff are unwell and take sick leave in accordance with their contract of employment, we organise cover to ensure ratios are maintained.
- Sick leave is monitored and action is taken where necessary, in accordance with the individual's contract of employment.
- We have contingency plans to cover staff absences, as follows:

Other members if our staff are contacted. If not available, we follow our closure policy.

2.2 Student placements

Policy statement

We recognise that qualifications and training make an important contribution to the quality of the care and education we provide. As part of our commitment to quality, we offer placements to students undertaking early years qualifications and training. We also offer placements for school pupils on work experience.

We aim to provide for students on placement with us, experiences that contribute to the successful completion of their studies and that provide examples of quality practice in early years care and education.

Procedures

- We require students on qualification courses to meet the Suitable Person requirements of the Early Years Foundation Stage and have a satisfactory enhanced DBS check with barred list check(s).
- We require students in our setting to have a sufficient understanding and use of English to contribute to the well-being of children in our care.
- We require schools, colleges or universities placing students under the age of 17 years with us to vouch for their good character.
- We supervise students under the age of 17 years at all times and do not allow them to have unsupervised access to children.
- Students undertaking qualification courses who are placed in our setting on a short term basis are not counted in our staffing ratios.
- Students and apprentices, over the age of 17, who are undertaking a level 3 qualification may be considered to be counted in the ratios if our manager deems them to be suitably qualified and experienced.
- We take out employers' liability insurance and public liability insurance, which covers both students and voluntary helpers.
- We require students to keep to our Confidentiality and Client Access to Records Policy.
- We co-operate with students' tutors in order to help students to fulfil the requirements of their course of study.
- We provide students, at the first session of their placement, with a short induction on how our setting is managed, how our sessions are organised and our policies and procedures.
- We communicate a positive message to students about the value of qualifications and training.
- We make the needs of the children paramount by not admitting students in numbers that hinder the essential work of the setting.
- We ensure that trainees and students placed with us are engaged in bona fide early years training, which provides the necessary background understanding of children's development and activities.

3.1 Induction of employees and volunteers

Policy statement

We provide an induction for all employees and volunteers in order to fully brief them about the setting, the families We serve,our policies and procedures, curriculum and daily practice.

Procedures

- We have a written induction plan for all new staff, which includes the following:
 - Introductions to all employees and volunteers, including management committee members.
 - Familiarisation with the site, health and safety, and fire and evacuation procedures.
 - Ensuring our policies and procedures are read and adhered to.
 - Introduction to the parents, especially parents of allocated key children where appropriate.
 - Familiarisation with confidential information in relation to any key children where applicable.
 - Details of the tasks and daily routines to be completed.
- The induction period lasts at least two weeks. The manager inducts new employees and volunteers. A member of the senior management team inducts new managers.
- During the induction period, the individual must demonstrate understanding of and compliance with policies, procedures, tasks and routines.
- Successful completion of the induction forms part of the probationary period.
- Following induction, we continue to support our staff to deliver high quality performance through regular supervision and appraisal of their work.

4.1 The role of the key person and settling-in

Policy statement

We believe that children settle best when they have a key person to relate to, who knows them and their parents well, and who can meet their individual needs. [We are/I am] committed to the key person approach which benefits the child, the parents, [the staff] and the setting. It encourages secure relationships which support children to thrive, give parents confidence and make the setting a happy place to attend or work in.

We want children to feel safe, stimulated and happy in the setting and to feel secure and comfortable with our staff. We also want parents to have confidence in both their children's well-being and their role as active partners with our setting. We aim to make our setting a welcoming place where children settle quickly and easily because consideration has been given to the individual needs and circumstances of children and their families.

The key person role is set out in the Safeguarding and Welfare Requirements of the Early Years Foundation Stage. Each child must have a key person. These procedures set out a model for developing a key person approach that promotes effective and positive relationships for children.

Procedures

- We allocate a key person before the child starts.
- The key person is responsible for:
 - Providing an induction for the family and for settling the child into our setting.
 - Completing relevant forms with parents, including consent forms.
 - Explaining our policies and procedures to parents with particular focus on policies such as safeguarding and our responsibilities under the Prevent Duty.
 - Offering unconditional regard for the child and being non-judgemental.
 - Working with the parents to plan and deliver a personalised plan for the child's well-being, care and learning.
 - Acting as the key contact for the parents.
 - Developmental records and for sharing information on a regular basis with the child's parents to keep those records up-to-date, reflecting the full picture of the child in our setting and at home.
 - Having links with other carers involved with the child and co-ordinating the sharing of appropriate information about the child's development with those carers.
 - Encouraging positive relationships between children in her/his key group, spending time with them as a group each day.
- We promote the role of the key person as the child's primary carer in our setting, and as the basis for establishing relationships with other adults and children.
-

- Before a child starts to attend our setting, We use a variety of ways to provide his/her parents with information. These include written information (including our prospectus and policies), displays about activities available within the setting, information days and evenings and individual meetings with parents.
- During the half-term before a child is enrolled, We provide opportunities for the child and his/her parents to visit the setting.
- The key person welcomes and looks after the child and his/her parents at the child's first session and during the settling-in process.
- We may offer a home visit by the person who will be the child's key person to ensure all relevant information about the child can be made known.
- We use pre-start visits and the first session at which a child attends to explain and complete, with his/her parents, the child's registration records.
- When a child starts to attend, We explain the process of settling-in with his/her parents and jointly decide on the best way to help the child to settle into the setting.
- We have an expectation that the parent, carer or close relative, will stay for most of the session during the first week, gradually taking time away from their child; increasing this time as and when the child is able to cope.
- Younger children will take longer to settle in, as will children who have not previously spent time away from home. Children who have had a period of absence may also need their parent to be on hand to re-settle them.
- We judge a child to be settled when they have formed a relationship with their key person; for example, the child looks for the key person when he/she arrives, goes to them for comfort, and seems pleased to be with them. The child is also familiar with where things are and is pleased to see other children and participate in activities.
- When parents leave, we ask them to say goodbye to their child and explain that they will be coming back, and when.
- We recognise that some children will settle more readily than others, but that some children who appear to settle rapidly are not ready to be left. We expect that the parent will honour the commitment to stay for at least the first week, or possibly longer, until their child can stay happily without them.
- We do not believe that leaving a child to cry will help them to settle any quicker. We believe that a child's distress will prevent them from learning and gaining the best from the setting.
- We reserve the right not to accept a child into the setting without a parent or carer if the child finds it distressing to be left. This is especially the case with very young children.
- Within the first four to six weeks of starting, we discuss and work with the child's parents to begin to create their child's record of achievement.

The progress check at age two

We do not currently accept children on roll under the age of three. However if this changes, the following will be adhered to:

- The key person carries out the progress check at age two in accordance with any local procedures that are in place and referring to the guidance *A Know How Guide: The EYFS progress check at age two*.
- The progress check aims to review the child's development and ensures that parents have a clear picture of their child's development.
- Within the progress check, the key person will note areas where the child is progressing well and identify areas where progress is less than expected.
- The progress check will describe the actions that ~~will be taken by us to~~ address any developmental concerns (including working with other professionals where appropriate) as agreed with the parent(s).

- The key person will plan activities to meet the child's needs within the setting and will support parents to understand the child's needs in order to enhance their development at home.

Safeguarding and Welfare Requirement: Staff:Child ratios

Staffing arrangements must meet the needs of all children and ensure their safety

5.1 Staffing (group provision)

Policy statement

We provide a staffing ratio in line with the Safeguarding and Welfare Requirements of the Early Years Foundation Stage to ensure that children have sufficient individual attention and to guarantee care and education of a high quality. Our staff are appropriately qualified and we carry out checks for enhanced criminal records and barred list checks through the Disclosure and Barring Service in accordance with statutory requirements.

Procedures

[For childcare on non-domestic premises (e.g. nurseries and pre-schools) or on domestic premises (where there are four or more childminders in someone's home)

To meet this aim we use the following ratios of adult to children:

- Children under two years of age: 1 adult : 3 children:
 - at least one member of staff holds a full and relevant level 3 qualification and is suitably experienced in working with children under two;
 - at least half of all other staff hold a full and relevant level 2 qualification;
 - at least half of all staff have received training that specifically addresses the care of babies; and
 - where there is an under two-year-olds' room, the member of staff in charge of that room has suitable experience of working with under twos.
- Children aged two years: 1 adult : 4 children:
 - at least one member of staff holds a full and relevant level 3 qualification; and
 - at least half of all other staff hold a full and relevant level 2 qualification.
- Children aged three years and over: 1 adult : 8 children:
 - at least one member of staff holds a full and relevant level 3 qualification; and
 - at least half of all other staff hold a full and relevant level 2 qualification.
- We follow the Early Years Foundation Stage Safeguarding and Welfare Requirements where a Qualified Teacher, Early Years Professional or other suitable level 6 qualified person is working directly with children aged three and over between the hours of 8am and 4pm as follows:
 - there is at least one member of staff for every 13 children; and
 - at least one other member of staff holds a full and relevant level 3 qualification.
- The number of children for each key person takes into account the individual needs of the children and the capacity of the individual key person to manage their cohort.

- We only include those aged 17 years or older within our ratios. Where they are competent and responsible, we may include students on long-term placements and regular volunteers.
- A minimum of two staff/adults are on duty at any one time; one of whom is either our manager or deputy.
- Our manager deploys our staff, students and volunteers to give adequate supervision of indoor and outdoor areas, ensuring that children are usually within sight and hearing of staff, and always within sight or hearing of staff at all times.
- All staff are deployed according to the needs of the setting and the children attending.
- Our staff, students and volunteers inform their colleagues if they have to leave their area and tell colleagues where they are going.
- Our staff, students and volunteers focus their attention on children at all times and do not spend time in social conversation with colleagues while they are working with children.
- We assign each child a key person to help the child become familiar with the setting from the outset and to ensure that each child has a named member of staff with whom to form a relationship. The key person plans with parents for the child's well-being and development in the setting. The key person meets regularly with the family for discussion and consultation on their child's progress and offers support in guiding their development at home.
- We hold regular staff meetings to undertake curriculum planning and to discuss children's progress, their achievements and any difficulties that may arise from time to time.

Safeguarding and Welfare Requirement: Health

Providers must have and implement a policy, and procedures, for administering medicines. It must include systems for obtaining information about a child's needs for medicines, and for keeping this information up-to-date.

6.1 Administering medicines

Policy statement

While it is not Our policy to care for sick children, who should be at home until they are well enough to return to the setting, We will agree to administer medication as part of maintaining their health and well-being or when they are recovering from an illness. We ensure that where medicines are necessary to maintain health of the child, they are given correctly and in accordance with legal requirements.

In many cases, it is possible for children's GPs to prescribe medicine that can be taken at home in the morning and evening. As far as possible, administering medicines will only be done where it would be detrimental to the child's health if not given in the setting. If a child has not had a medication before, especially a baby/child under two, it is advised that the parent keeps the child at home for the first 48 hours to ensure there are no adverse effects, as well as to give time for the medication to take effect.

Our staff are responsible for the correct administration of medication to children for whom they are the key person. This includes ensuring that parent consent forms have been completed, that medicines are stored correctly and that records are kept according to procedures. In the absence of the key person, the manager is responsible for the overseeing of administering medication. We notify our insurance provider of all required conditions, as laid out in our insurance policy.

Procedures

- Children taking prescribed medication must be well enough to attend the setting.
- We only usually administer medication when it has been prescribed for a child by a doctor (or other medically qualified person). It must be in-date and prescribed for the current condition.
- Non-prescription medication, such as pain or fever relief (e.g. Calpol) and teething gel, may be administered, but only with prior written consent of the parent and only when there is a health reason to do so, such as a high temperature. Children under the age of 16 years are never given medicines containing aspirin unless prescribed specifically for that child by a doctor. The administering of un-prescribed medication is recorded in the same way as any other medication. NB We may administer children's paracetamol (un-prescribed) for children under the age of one year with the verbal consent of the parents in the case of a high temperature. This is to prevent febrile convulsion and where a parent or named person is on their way to collect the child.
- Children's prescribed medicines are stored in their original containers, are clearly labelled and are inaccessible to the children. On receiving the medication, the member of staff checks that it is in date and prescribed specifically for the current condition.
- Parents must give prior written permission for the administration of medication. The staff member receiving the medication will ask the parent to sign a consent form stating the following information. No medication may be given without these details being provided:
 - the full name of child and date of birth

- the name of medication and strength
 - who prescribed it
 - the dosage and times to be given in the setting
 - the method of administration
 - how the medication should be stored and its expiry date
 - any possible side effects that may be expected
 - the signature of the parent, their printed name and the date
- The administration of medicine is recorded accurately in Our medication record book each time it is given and is signed by the person administering the medication and a witness. Parents are shown the record at the end of the day and asked to sign the record book to acknowledge the administration of the medicine. The medication record book records the:
- name of the child
 - name and strength of the medication
 - name of the doctor that prescribed it
 - date and time of the dose
 - dose given and method
 - signature of the person administering the medication and a witness who verifies that the medication has been given correctly
 - parent's signature (at the end of the day).
- If the administration of prescribed medication requires medical knowledge, We obtain individual training for the relevant member of staff by a health professional.
- If rectal diazepam is given, another member of staff must be present and co-signs the record book.
- No child may self-administer. Where children are capable of understanding when they need medication, for example with asthma, they should be encouraged to tell [their key person/me] what they need. However, this does not replace staff vigilance in knowing and responding when a child requires medication.
- We monitor the medication record book is monitored to look at the frequency of medication given in the setting. For example, a high incidence of antibiotics being prescribed for a number of children at similar times may indicate a need for better infection control.

Storage of medicines

- All medication is stored safely in a locked cupboard or refrigerated as required. Where the cupboard or refrigerator is not used solely for storing medicines, they are kept in a marked plastic box.
- The child's key person is responsible for ensuring medicine is handed back at the end of the day to the parent.
- For some conditions, medication may be kept in the setting to be administered on a regular or as-and-when- required basis. Key persons check that any medication held in the setting, is in date and return any out-of-date medication back to the parent.

Medicines are stored in the cabin on a high shelf where they can only be reached by adults. Staff are informed verbally at the start of the day which medicines are being stored for that day and which child they are connected with.

Children who have long term medical conditions and who may require ongoing medication

- We carry out a risk assessment for each child with a long term medical condition that requires on-going medication. This is the responsibility of our manager alongside the key person. Other medical or social care personnel may need to be involved in the risk assessment.
- Parents will also contribute to a risk assessment. They should be shown around the setting, understand the routines and activities and point out anything which they think may be a risk factor for their child.
- For some medical conditions, key staff will need to have training in a basic understanding of the condition, as well as how the medication is to be administered correctly. The training needs for staff form part of the risk assessment.
- The risk assessment includes vigorous activities and any other activity that may give cause for concern regarding an individual child's health needs.
- The risk assessment includes arrangements for taking medicines on outings and advice is sought from the child's GP if necessary where there are concerns.
- An individual health plan for the child is drawn up with the parent; outlining the key person's role and what information must be shared with other adults who care for the child.
- The individual health plan should include the measures to be taken in an emergency.
- We review the individual health plan every six months, or more frequently if necessary. This includes reviewing the medication, e.g. changes to the medication or the dosage, any side effects noted etc.
- Parents receive a copy of the individual health plan and each contributor, including the parent, signs it.

Managing medicines on trips and outings

- If children are going on outings, the key person for the child will accompany the children with a risk assessment, or another member of staff who is fully informed about the child's needs and/or medication.
- Medication for a child is taken in a sealed plastic box clearly labelled with the child's name, the original pharmacist's label and the name of the medication. Inside the box is a copy of the consent form and a card to record when it has been given, including all the details that need to be recorded in the medication record as stated above. For medication dispensed by a hospital pharmacy, where the child's details are not on the dispensing label, We will record the circumstances of the event and hospital instructions as relayed by the parents.
- On returning to the setting the card is stapled to the medicine record book and the parent signs it.
- If a child on medication has to be taken to hospital, the child's medication is taken in a sealed plastic box clearly labelled with the child's name and the name of the medication. Inside the box is a copy of the consent form signed by the parent.
- This procedure should be read alongside the outings procedure.

Safeguarding and Welfare Requirement: Health

The provider must promote the good health of children attending the setting. They must have a procedure, discussed with parents and/or carers, for responding to children who are ill or infectious, take necessary steps to prevent the spread of infection, and take appropriate action if children are ill.

6.2 Managing children who are sick, infectious, or with allergies

Policy statement

We aim to provide care for healthy children through preventing cross infection of viruses and bacterial infections and promote health through identifying allergies and preventing contact with the allergenic trigger.

Procedures for children who are sick or infectious

- If children appear unwell during the day – for example, if they have a temperature, sickness, diarrhoea or pains, particularly in the head or stomach – our manager will call the parents and ask them to collect the child, or to send a known carer to collect the child on their behalf.
- If a child has a temperature, they are kept cool, by removing top clothing and sponging their heads with cool water, but kept away from draughts.
- If the child's temperature does not go down and is worryingly high, then we may give them Calpol or another similar analgesic, after first obtaining verbal consent from the parent where possible. This is to reduce the risk of febrile convulsions, particularly for babies. Parents sign the medication record when they collect their child.
- In extreme cases of emergency, an ambulance is called and the parent informed.
- Parents are asked to take their child to the doctor before returning them to the setting; we can refuse admittance to children who have a temperature, sickness and diarrhoea or a contagious infection or disease.
- Where children have been prescribed antibiotics for an infectious illness or complaint, we ask parents to keep them at home for 48 hours before returning to the setting.
- After diarrhoea, we ask parents keep children home for 48 hours following the last episode.
- Some activities, such as sand and water play, and self-serve snacks where there is a risk of cross-contamination may be suspended for the duration of any outbreak.
- We have a list of excludable diseases and current exclusion times. The full list is obtainable from www.hpa.org.uk/webc/HPAwebFile/HPAweb_C/1194947358374 and includes common childhood illnesses such as measles.

Reporting of 'notifiable diseases'

- If a child or adult is diagnosed as suffering from a notifiable disease under the Health Protection (Notification) Regulations 2010, the GP will report this to Public Health England.
- When we become aware, or are formally informed of the notifiable disease, our manager informs Ofsted and contacts Public Health England, and acts on any advice given.

HIV/AIDS/Hepatitis procedure

HIV virus, like other viruses such as Hepatitis A, B and C, are spread through body fluids. Hygiene precautions for dealing with body fluids are the same for all children and adults. We:

- Wear single-use vinyl gloves and aprons when changing children's nappies, pants and clothing that are soiled with blood, urine, faeces or vomit.
- Bag soiled clothing for parents to take home for cleaning.
- Clear spills of blood, urine, faeces or vomit using mild disinfectant solution and mops; any cloths used are disposed of with the clinical waste.
- Clean any tables and other furniture, furnishings or toys affected by blood, urine, faeces or vomit using a disinfectant.
- Ensure that children do not share tooth brushes, which are also soaked weekly in sterilising solution.

Nits and head lice

- Nits and head lice are not an excludable condition; although in exceptional cases we may ask a parent to keep the child away until the infestation has cleared.
- On identifying cases of head lice, we inform all parents ask them to treat their child and all the family if they are found to have head lice.

Procedures for children with allergies

- When children start at the setting we ask their parents if their child suffers from any known allergies. This is recorded on the Registration Form.
- If a child has an allergy, we complete a risk assessment form to detail the following:
 - The allergen (i.e. the substance, material or living creature the child is allergic to such as nuts, eggs, bee stings, cats etc).
 - The nature of the allergic reactions (e.g. anaphylactic shock reaction, including rash, reddening of skin, swelling, breathing problems etc).
 - What to do in case of allergic reactions, any medication used and how it is to be used (e.g. Epipen).
 - Control measures - such as how the child can be prevented from contact with the allergen.
 - Review measures.
- This risk assessment form is kept in the child's personal file and a copy is displayed where [our staff/] can see it.
- Generally, no nuts or nut products are used within the setting.
- Parents are made aware so that no nut or nut products are accidentally brought in, for example to a party.

Insurance requirements for children with allergies and disabilities

- If necessary, Our insurance will include children with any disability or allergy, but certain procedures must be strictly adhered to as set out below. For children suffering life threatening conditions, or requiring invasive treatments; written confirmation from Our insurance provider must be obtained to extend the insurance.
- At all times we ensure that the administration of medication is compliant with the Safeguarding and Welfare Requirements of the Early Years Foundation Stage.
- Oral medication:
 - Asthma inhalers are now regarded as 'oral medication' by insurers and so documents do not need to be forwarded to Our insurance provider. Oral medications must be prescribed by a GP or have manufacturer's instructions clearly written on them.
 - we must be provided with clear written instructions on how to administer such medication.

- we adhere to all risk assessment procedures for the correct storage and administration of the medication.
 - we must have the parents or guardians prior written consent. This consent must be kept on file. It is not necessary to forward copy documents to Our insurance provider.
- Life-saving medication and invasive treatments:
- These include adrenaline injections (Epipens) for anaphylactic shock reactions (caused by allergies to nuts, eggs etc) or invasive treatments such as rectal administration of Diazepam (for epilepsy).
- we must have:
 - a letter from the child's GP/consultant stating the child's condition and what medication if any is to be administered;
 - written consent from the parent or guardian allowing [our staff/me] to administer medication; and
 - proof of training in the administration of such medication by the child's GP, a district nurse, children's nurse specialist or a community paediatric nurse.
 - Written confirmation that the insurance has been extended will be issued by return.
- Key person for special needs children requiring assistance with tubes to help them with everyday living e.g. breathing apparatus, to take nourishment, colostomy bags etc.:
- Prior written consent must be obtained from the child's parent or guardian to give treatment and/or medication prescribed by the child's GP.
 - The key person must have the relevant medical training/experience, which may include receiving appropriate instructions from parents or guardians.
 - Written confirmation that the insurance has been extended will be issued by return.
- If we are unsure about any aspect, we contact the Beech Tree Insurance on **01273 475276** or email gary.alexander@beechtreeinsurance.org.uk.

Safeguarding and Welfare Requirement: Health

Providers must keep a written record of accidents or injuries and first aid treatment.

6.3 Recording and reporting of accidents and incidents

Policy statement

We follow the guidelines of the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) for the reporting of accidents and incidents. Child protection matters or behavioural incidents between children are not regarded as incidents and there are separate procedures for this.

Procedures

Our accident book:

- is kept in a safe and secure place;
- is accessible to our staff/my assistants and volunteers, who all know how to complete it; and
- is reviewed at least half termly to identify any potential or actual hazards.

Reporting accidents and incidents

- Ofsted is notified as soon as possible, but at least within 14 days, of any instances which involve:
 - food poisoning affecting two or more children looked after on Our premises
 - a serious accident or injury to, or serious illness of, a child in Our care and the action We take in response
 - the death of a child in Our care
- Local child protection agencies are informed of any serious accident or injury to a child, or the death of any child, while in Our care and We act on any advice given by those agencies.
- Any food poisoning affecting two or more children or adults on Our premises is reported to the local Environmental Health Department.
- We meet Our legal requirements in respect of the safety of our employees and the public by complying with RIDDOR. We report to the Health and Safety Executive (HSE):
 - Any work-related accident leading to an injury to a member of the public (child or adult), for which they are taken directly to hospital for treatment.
 - Any work-related accident leading to a specified injury to one of our employees. Specified injuries include injuries such as fractured bones, the loss of consciousness due to a head injury, serious burns or amputations.
 - Any work-related accident leading to an injury to one of our employees which results in them being unable to work for seven consecutive days. All work-related injuries that lead to one of our employees being incapacitated for three or more days are recorded in our accident book.
 - When one of our employees suffers from a reportable occupational disease or illness as specified by the HSE.
 - Any death, of a child or adult, that occurs in connection with a work-related accident.

- Any dangerous occurrences. This may be an event that causes injury or fatalities or an event that does not cause an accident, but could have done; such as a gas leak.
- Information for reporting incidents to the Health and Safety Executive is provided in the Pre-school Learning Alliance's Accident Record publication. Any dangerous occurrence is recorded in our incident book (see below).

Incident book

- We have ready access to telephone numbers for emergency services, including the local police. Where We are responsible for the premises we have contact numbers for the gas and electricity emergency services, and a carpenter and plumber. Where We rent premises We ensure We have access to the person responsible and that there is a shared procedure for dealing with emergencies.
- We ensure that Our staff and volunteers carry out all health and safety procedures to minimise risk and that they know what to do in an emergency.
- On discovery of an incident, We report it to the appropriate emergency services – fire, police, ambulance – if those services are needed.
- If an incident occurs before any children arrive, our manager risk assesses this situation and decides if the premises are safe to receive children. Our manager may decide to offer a limited service or to close the setting.
- Where an incident occurs whilst the children are in our care and it is necessary to evacuate the premises/area, We follow the procedures in Our Fire Safety and Emergency Evacuation Policy or, when on an outing, the procedures identified in the risk assessment for the outing.
- If a crime may have been committed, We ask all adults witness to the incident make a witness statement including the date and time of the incident, what they saw or heard, what they did about it and their full name and signature.
- We keep an incident book for recording major incidents, including some of those that are reportable to the Health and Safety Executive as above.
- These incidents include:
 - a break in, burglary, or theft of personal or Our setting's property
 - an intruder gaining unauthorised access to Our premises
 - a fire, flood, gas leak or electrical failure
 - an attack on an adult or child on Our premises or nearby
 - any racist incident involving families or our staff on the setting's premises
 - a notifiable disease or illness, or an outbreak of food poisoning affecting two or more children looked after on Our premises
 - the death of a child or adult
 - a terrorist attack, or threat of one
- In the incident book We record the date and time of the incident, nature of the event, who was affected, what was done about it or if it was reported to the police, and if so a crime number. Any follow up, or insurance claim made, is also recorded.
- In the event of a terrorist attack, We follow the advice of the emergency services with regard to evacuation, medical aid and contacting children's families. Our standard Fire Safety and Emergency Evacuation Policy will be followed and our staff will take charge of their key children. The incident is recorded when the threat is averted.
- In the unlikely event of a child dying on Our premises, through cot death in the case of a baby for example, the emergency services are called and the advice of these services are followed.
- The incident book is not for recording issues of concern involving a child. This is recorded in the child's own file.

Common Inspection Framework

- As required under the *Common Inspection Framework*, we maintain a summary record of all accidents, exclusions, children taken off roll, incidents of poor behaviour and discrimination, including racist incidents, and complaints and resolutions.

Legal framework

- Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 1995 (As Amended)

Further guidance

- Common Inspection Framework: Education, Skills and Early Years (Ofsted 2015)
- Early Years Inspection Handbook (Ofsted 2015)

Safeguarding and Welfare Requirement: Health

Where children are provided with meals, snacks and drinks, they must be healthy, balanced and nutritious.

6.5 Food and drink

Policy statement

We regard snack and meal times as an important part of our day. Eating represents a social time for children and adults, and helps children to learn about healthy eating. We promote healthy eating using resources and materials from the Pre-school Learning Alliance.

Procedures

We follow these procedures to promote healthy eating in [our/my] setting.

- Before a child starts to attend the setting, We ask their parents about their dietary needs and preferences, including any allergies. (See the Managing Children who are Sick, Infectious or with Allergies Policy.)
- We record information about each child's dietary needs in the Registration Form and parents sign the form to signify that it is correct.
- We regularly consult with parents to ensure that our records of their children's dietary needs - including any allergies - are up-to-date. Parents sign the updated record to signify that it is correct.
- We implement systems to ensure that children receive only food and drink that is consistent with their dietary needs and preferences, as well as their parents' wishes.
- We include foods from the diet of each of the children's cultural backgrounds, providing children with familiar foods and introducing them to new ones.
- We take care not to provide food containing nuts or nut products and we are especially vigilant where we have a child who has a known allergy to nuts.
- Through discussion with parents and research reading, We obtain information about the dietary rules of the religious groups to which children and their parents belong, and of vegetarians and vegans, as well as about food allergies. We take account of this information in the provision of food and drinks.
- We show sensitivity in providing for children's diets and allergies. We do not use a child's diet or allergy as a label for the child, or make a child feel singled out because of her/his diet or allergy.
- We organise meal and snack times so that they are social occasions in which children and adults participate.
- We use meal and snack times to help children to develop independence through making choices, serving food and drink and feeding themselves.
- We provide children with utensils that are appropriate for their ages and stages of development and that take account of the eating practices in their cultures.
- We have fresh drinking water constantly available for the children. We inform the children about how to obtain the water and that they can ask for water at any time during the day.

- We inform parents who provide food for their children about the storage facilities available in our setting.
- In order to protect children with food allergies, We discourage children from sharing and swapping their food with one another.

Packed lunches

Children are required to bring packed lunches, We:

- inform parents of our policy on healthy eating;
- encourage parents to provide sandwiches with a healthy filling. We discourage sweet drinks and can provide children with water or diluted fruit juice;
- discourage packed lunch contents that consist largely of crisps, processed foods, sweet drinks and sweet products such as cakes or biscuits. We reserve the right to return this food to the parent as a last resort;
- provide children bringing packed lunches with plates, cups and cutlery; and
- ensure that adults sit with children to eat their lunch so that the mealtime is a social occasion.

Legal framework

- Regulation (EC) 852/2004 of the European Parliament and of the Council on the Hygiene of Foodstuffs.

Further guidance

Safeguarding and Welfare Requirement: Health

Where children are provided with meals, snacks and drinks, they must be healthy, balanced and nutritious.

6.6 Food hygiene

Policy statement

We serve food for children on the following basis:

- Learning based cooking activities

We maintain the highest possible food hygiene standards with regard to the purchase, storage, preparation and serving of food.

We are registered as a food provider with the local authority Environmental Health Department.

Procedures

- Our staff with responsibility for food preparation understand the principles of Hazard Analysis and Critical Control Point (HACCP) as it applies to our setting. This is set out in Safer Food, Better Business. The basis for this is risk assessment of the purchase, storage, preparation and serving of food to prevent growth of bacteria and food contamination.
 - All our staff follow the guidelines of Safer Food, Better Business.
 - All our staff who are involved in the preparation and handling of food have received training in food hygiene.
 - We use reliable suppliers for the food we purchase.
 - Food is stored at correct temperatures and is checked to ensure it is in-date and not subject to contamination by pests, rodents or mould.
 - Food preparation areas are cleaned before and after use.
 - There are separate facilities for hand-washing and for washing-up.
 - All surfaces are clean and non-porous.
 - All utensils, crockery etc. are clean and stored appropriately.
 - Waste food is disposed of daily.
- Cleaning materials and other dangerous materials are stored out of children's reach.
- Children do not have unsupervised access to the kitchen.
- When children take part in cooking activities, they:
 - are supervised at all times;
 - understand the importance of hand-washing and simple hygiene rules;
 - are kept away from hot surfaces and hot water; and
 - do not have unsupervised access to electrical equipment, such as blenders etc.

Food poisoning can occur for a number of reasons; not all cases of sickness or diarrhoea are as a result of food poisoning and not all cases of sickness or diarrhoea are reportable.

- Where children and/or adults have been diagnosed by a GP or hospital doctor to be suffering from food poisoning and where it seems possible that the source of the outbreak is within our setting, the manager will contact the Environmental Health Department to report the outbreak and will comply with any investigation.
- We notify Ofsted as soon as reasonably practicable of any confirmed cases of food poisoning affecting two or more children looked after on the premises, and always within 14 days of the incident.

Safeguarding and Welfare Requirement: Managing behaviour

Providers are responsible for managing children's behaviour in an appropriate way.

7.1 Promoting positive behaviour

Policy statement

We believe that children flourish best when their personal, social and emotional needs are understood, supported and met and where there are clear, fair and developmentally appropriate expectations for their behaviour.

As children develop, they learn about boundaries, the difference between right and wrong, and to consider the views and feelings, and needs and rights, of others and the impact that their behaviour has on people, places and objects. The development of these skills requires adult guidance to help encourage and model appropriate behaviours and to offer intervention and support when children struggle with conflict and emotional situations. In these types of situations key staff can help identify and address triggers for the behaviour and help children reflect, regulate and manage their actions. We appoint a member of staff as behaviour coordinator to oversee and advise on the team's responses to challenging behaviour.

Procedures

In order to manage children's behaviour in an appropriate way we will:

- attend relevant training to help understand and guide appropriate models of behaviour;
- implement the setting's behaviour procedures including the stepped approach;
- have the necessary skills to support other staff with behaviour issues and to access expert advice, if necessary;
- ensure all staff complete the Promoting Positive Behaviour programme, on Educare (<http://pre-school.educare.co.uk/Login.aspx>)

Stepped approach

Step 1

- We will ensure that EYFS guidance relating to 'behaviour management' is incorporated into relevant policy and procedures;
- We will be knowledgeable with, and apply the setting's procedures on Promoting Positive Behaviour;
- We will undertake an annual audit of the provision to ensure the environment and practices supports healthy social and emotional development. Findings from the audit are considered by management and relevant adjustments applied. (A useful guide to assessing the well-being of children can be found at www.kindengezin.be/img/sics-ziko-manual.pdf)
- ensure that all staff are supported to address issues relating to behaviour including applying initial and focused intervention approaches (see below).

Step 2

- We address unwanted behaviours using the agreed and consistently applied initial intervention approach. If the unwanted behaviour does not reoccur or cause concern then normal monitoring will resume.
- Behaviours that result in concern for the child and/or others will be discussed between the key person, the behaviour coordinator and Special Educational Needs Coordinator (SENCO) or/and manager. During the meeting, the key person will use their knowledge and assessments of the child to share any known influencing factors (new baby, additional needs, illness etc.) in order to place the behaviour into context. Appropriate adjustments to practice will be agreed and if successful normal monitoring resumed.
- If the behaviour continues to reoccur and remains a concern then the key person and SENCO should liaise with parents to discuss possible reasons for the behaviour and to agree next steps. If relevant and appropriate, the views of the child relating to their behaviour should be sought and considered to help identify a cause. If a cause for the behaviour is not known or only occurs whilst in the setting then the behaviour coordinator will suggest using a focused intervention approach to identify a trigger for the behaviour.
- If a trigger is identified then the SENCO and key person will meet with the parents to plan support for the child through developing an action plan. If relevant, recommended actions for dealing with the behaviour at home should be agreed with the parent/s and incorporated into the plan. Other members of the staff team should be informed of the agreed actions in the action plan and help implement the actions. The plan should be monitored and reviewed regularly by the key person and SENCO until improvement is noticed.

All incidents and intervention relating to unwanted and challenging behaviour by children should be clearly and appropriately logged.

Step 3

- If, despite applying the initial intervention and focused intervention approaches, the behaviour continues to occur and/or is of significant concern, then the behaviour coordinator and SENCO will invite the parents to a meeting to discuss external referral and next steps for supporting the child in the setting.
- It may be agreed that the Common Assessment Framework (CAF) or Early Help process should begin and that specialist help be sought for the child – this support may address either developmental or welfare needs. If the child's behaviour is part of a range of welfare concerns that also include a concern that the child may be suffering or likely to suffer significant harm, follow the Safeguarding and Children and Child Protection Policy (1.2). It may also be agreed that the child should be referred for an Education, Health and Care assessment. (See Supporting Children with SEN policy 9.2)
- Advice provided by external agencies should be incorporated into the child's action plan and regular multi-disciplinary meetings held to review the child's progress.

Initial intervention approach

- We use an initial problem solving intervention for all situations in which a child or children are distressed or in conflict. All staff use this intervention consistently.
- This type of approach involves an adult approaching the situation calmly, stopping any hurtful actions, acknowledging the feelings of those involved, gathering information, restating the issue to help children reflect, regain control of the situation and resolve the situation themselves.

- High Scope's Conflict Resolution process provides this type of approach but equally any other similar method would be suitable. Periodically the effectiveness of the approach will be checked.

Focused intervention approach

- The reasons for some types of behaviour are not always apparent, despite the knowledge and input from key staff and parents.
- Where We have considered all possible reasons, then a focused intervention approach should then be applied.
- This approach allows the key person and behaviour coordinator to observe, reflect, and identify causes and functions of unwanted behaviour in the wider context of other known influences on the child.
- We follow the ABC method which uses key observations to identify a) an event or activity (antecedent) that occurred immediately before a particular behaviour, b) what behaviour was observed and recorded at the time of the incident, and c) what the consequences were following the behaviour. Once analysed, the focused intervention should help determine the cause (e.g. ownership of a toy or fear of a situation) and function of the behaviour (to obtain the toy or avoid a situation) and suitable support will be applied.

Use of rewards and sanctions

- All children need consistent messages, clear boundaries and guidance to intrinsically manage their behaviour through self-reflection and control.
- Rewards will not be used in the setting. As outlined in the behaviour policy
- Children should never be labelled, criticised, humiliated, punished, shouted at or isolated by removing them from the group and left alone in 'time out' or on a 'naughty chair'. However, if necessary children can be accompanied and removed if they pose a physical or emotional threat to other children.

Use of physical intervention

- The term physical intervention is used to describe any forceful physical contact by an adult to a child such as grabbing, pulling, dragging, or any form of restraint of a child such as holding down. Where a child is upset or angry, staff will speak to them calmly, encouraging them to vent their frustration in other ways by diverting the child's attention.
- Staff should not use physical intervention – or the threat of physical intervention, to manage a child's behaviour unless it is necessary to use 'reasonable force in order to prevent children from injuring themselves or others or damage property' (EYFS).
- If 'reasonable force' has been used for any of the reasons shown above, parents are to be informed on the same day that it occurs. The intervention will be recorded as soon as possible within the child's file, which states clearly when and how parents were informed.
- Corporal (physical) punishment of any kind should never be used or threatened.

Challenging Behaviour/Aggression by children towards other children

- Any aggressive behaviour by children towards other children will result in a staff member intervening immediately to challenge and prevent escalation.
- If the behaviour has been significant or may potentially have a detrimental effect on the child, the parents of the child who has been the victim of behaviour and the parents of the child who has been the perpetrator should be informed.

- The designated person will contact children's social services if appropriate and will consider whether notifying the police if appropriate.
- The designated person will make a written record of the incident, which is kept in the child's file; in line with the *Safeguarding children, young people and vulnerable adults* policy.
- The designated person should complete a risk assessment related to the child's challenging behaviour to avoid any further instances.
- The designated person should meet with the parents of the child who has been affected by the behaviour to advise them of the incident and the setting's response to the incident.
- Ofsted should be notified if appropriate.
- Relevant health and safety procedures and procedures for dealing with concerns and complaints should be followed.
- Parents should also be asked to sign risk assessments where the risk assessment relates to managing the behaviour of a specific child.

Challenging unwanted behaviour from adults in the setting

- Settings will not tolerate behaviour from an adult which demonstrates a dislike, prejudice and/or discriminatory attitude or action towards any individual or group. This includes negativity towards groups and individuals living outside the UK (xenophobia). This also applies to the same behaviour if directed towards specific groups of people and individuals who are British Citizens residing in the UK.
- Allegations of discriminatory remarks or behaviour including xenophobia made in the setting by any adult will be taken seriously. The perpetrator will be asked to stop the behaviour and failure to do so may result in the adult being asked to leave the premises and in the case of a staff member, disciplinary measures being taken.
- Where a parent makes discriminatory or prejudiced remarks to staff at any time, or other people while on the premises, this is recorded on the child's file and is reported to the setting manager. The procedure is explained and the parent asked to comply while on the premises. An 'escalatory' approach will be taken with those who continue to exhibit this behaviour. The second stage comprises a letter to the parent requesting them to sign a written agreement not to make discriminatory remarks or behave in a discriminatory or prejudiced manner; the third stage may be considering withdrawing the child's place.

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Providers must take reasonable steps to ensure the safety of children, staff and others on the premises.

Health

The provider must promote the good health of children attending the setting.

8.1 Health and safety general standards

Policy statement

We believe that the health and safety of children is of paramount importance. We make our setting a safe and healthy place for children, parents, staff and volunteers.

- We aim to make children, parents, staff and volunteers aware of health and safety issues and to minimise the hazards and risks to enable the children to thrive in a healthy and safe environment.
 - Our member of staff responsible for health and safety is: **Gemma Southerden**

 - He/she is competent to carry out these responsibilities.
 - He/she has undertaken health and safety training and regularly updates his/her knowledge and understanding.
 - We display the necessary health and safety poster in: the on site cabin
-

Insurance cover

We have public liability insurance and employers' liability insurance. The certificate for public liability insurance is displayed in: the on site cabin

Procedures

Awareness raising

- Our induction training for staff and volunteers includes a clear explanation of health and safety issues, so that all adults are able to adhere to our policy and procedures as they understand their shared responsibility for health and safety. The induction training covers matters of employee well-being, including safe lifting and the storage of potentially dangerous substances.
- We keep records of these induction training sessions and new staff and volunteers are asked to sign the records to confirm that they have taken part.
- We explain health and safety issues to the parents of new children, so that they understand the part played by these issues in the daily life of the setting.
- As necessary, health and safety training is included in the annual training plans of staff, and health and safety is discussed regularly at our staff meetings.

- We operate a no-smoking policy.
- We make children aware of health and safety issues through discussions, planned activities and routines.

Windows

- We do not have any low level windows.

Doors

- We take precautions to prevent children's fingers from being trapped in doors.

Electrical/gas equipment

- We ensure that all electrical/gas equipment conforms to safety requirements and is checked regularly.
- Fires, heaters, wires and leads are properly guarded and We teach the children not to touch them..
- Lighting and ventilation is adequate in all areas of our setting, including storage areas.

Storage

- All our resources and materials, which are used by the children, are stored safely.
- All our equipment and resources are stored or stacked safely to prevent them accidentally falling or collapsing.

Outdoor area

- Our outdoor area is securely fenced. All gates and fences are childproof and safe.
- Our outdoor area is checked for safety and cleared of rubbish and any other unsafe items before it is used.
- Adults and children are alerted to the dangers of poisonous plants, herbicides and pesticides.
- All children are taught only to drink water from their drinks bottles or the drinking water brought onto site. They are taught not to drink standing water or rainwater.
- We check that children are suitably attired for the weather conditions and type of outdoor activities; ensuring that suncream is applied and hats are worn during the summer months.
- We supervise outdoor activities at all times; and particularly children on climbing equipment.

Hygiene

- We seek information from the Public Health England to ensure that We keep up-to-date with the latest recommendations.
- Our daily routines encourage the children to learn about personal hygiene.
- We have a daily cleaning routine for the setting, which includes the kitchen supplies, rest area, toilets. Children do not have unsupervised access to the kitchen.
- We have a schedule for cleaning resources and equipment, dressing-up clothes and furnishings.
- The toilet area has a high standard of hygiene, including hand washing facilities and disposal facilities for nappies.
- We implement good hygiene practices by:
 - cleaning tables between activities;
 - cleaning and checking toilets regularly;
 - wearing protective clothing - such as aprons and disposable gloves - as appropriate;
 -

Activities, resources and repairs

- Before purchase or loan, We check equipment and resources to ensure that they are safe for the ages and stages of the children currently attending the setting.
- The layout of our play equipment allows adults and children to move safely and freely between activities.
- All our equipment is regularly checked for cleanliness and safety, and any dangerous items are repaired or discarded.
- We make safe and separate from general use any areas that are unsafe because of repair is needed.
- All our materials, including paint and glue, are non-toxic.
- We ensure that sand is clean and suitable for children's play.
- Physical play is constantly supervised.
- We teach children to handle and store tools safely.
- We check children who are sleeping at regular intervals of at least every ten minutes. This is recorded with the times checked and the initials of the person undertaking the check.
- If children fall asleep in-situ, it may be necessary to move or wake them to make sure they are comfortable.
- Children learn about health, safety and personal hygiene through the activities We provide and the routines We follow.
- Any faulty equipment is removed from use and is repaired. If it cannot be repaired it is discarded. Large pieces of equipment are discarded only with the consent of the manager.

Jewellery and accessories

- Our staff do not wear jewellery or fashion accessories, such as high heels, that may pose a danger to themselves or children.
- Parents must ensure that any jewellery worn by children poses no danger; particularly earrings which may get pulled, bracelets which can get caught when climbing or necklaces that may pose a risk of strangulation.
- We ensure that hair accessories are removed before children sleep or rest.

Safety of adults

- We ensure that adults are provided with guidance about the safe storage, movement, lifting and erection of large pieces of equipment.
- We provide safe equipment for adults to use when they need to reach up to store equipment or to change light bulbs.
- We ensure that all warning signs are clear and in appropriate languages.
- We record the sickness of staff and their involvement in accidents. The records are reviewed termly to identify any issues that need to be addressed.

Control of substances hazardous to health

- Our staff implement the current guidelines of the *Control of Substances Hazardous to Health Regulations (COSHH)*.
- We keep a record of all substances that may be hazardous to health - such as cleaning chemicals, or gardening chemicals if used and where they are stored.
- Hazardous substances are stored safely away from the children.
- We carry out a risk assessment for all chemicals used in the setting. This states what the risks are and what to do if they have contact with eyes or skin or are ingested.
- We keep all cleaning chemicals in their original containers.
- We keep the chemicals used in the setting to the minimum in order to ensure health and hygiene is maintained. We do not use:
 - bleach;
 - anti-bacterial soap/hand wash, unless specifically advised during an infection outbreak such as Pandemic flu; or

- anti-bacterial cleaning agents, except in the toilets, nappy changing area and food preparation areas. Anti-bacterial sprays are not used when children are nearby.
- Environmental factors are taken into account when purchasing, using and disposing of chemicals.
- All members of staff are vigilant and use chemicals safely.
- Members of staff wear protective gloves when using cleaning chemicals.

Legal framework

- Health and Safety at Work Act (1974)
- Management of Health and Safety at Work Regulations (1999)
- Electricity at Work Regulations (1989)
- Control of Substances Hazardous to Health Regulations (COSHH) (2002)

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment.

Providers must take reasonable steps to ensure the safety of children, staff and others on the premises.

8.2 Maintaining children's safety and security on premises

Policy statement

We maintain the highest possible security of our premises to ensure that each child is safely cared for during their time with us.

Procedures

Children's personal safety

- We ensure all employed staff have been checked for criminal records via an enhanced disclosure with children's barred list check through the Disclosure and Barring Service.
- Adults do not normally supervise children on their own.
- All children are supervised by adults/me at all times.
- Whenever children are on the premises at least two adults are present.
- We carry out risk assessments to ensure children are not made vulnerable within any part of our premises, nor by any activity.

Security

- Systems are in place for the safe arrival and departure of children.
- The arrival and departure times of volunteers and visitors - are recorded.
- Our systems prevent children from leaving our premises unnoticed.
- We only allow access to visitors with prior appointments.
- Our staff check the identity of any person who is not known before they enter the premises.
- We keep front gate shut during all sessions and locked during times when children from the Kindergarten are visiting the main site.
- The personal possessions of staff and volunteers are securely stored during sessions.
- Minimal petty cash is kept on the premises.

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Children must be kept safe while on outings.

8.3 Supervision of children on outings and visits

Policy statement

Children benefit from being taken outside of the premises on visits or trips to local parks, or other suitable venues, for activities which enhance their learning experiences. We ensure that there are procedures to keep children safe on outings; all staff and volunteers are aware of and follow the procedures as laid out below.

Procedures

- All off site activity has a clearly identified educational purpose with specific learning and development outcomes.
- There is a designated lead for each excursion who is clear about their responsibility as designated lead.
- We ask parents to sign a general consent on registration for their children to be taken out on local short outings as a part of the daily activities of the setting. This general consent details the venues used for daily activities.
- We assess the risks for each local venue used for daily activities, which is reviewed regularly.
- We always ask parents to sign specific consent forms before major outings; and the risks are assessed before the outing takes place.
- Our manager and all staff taking part in the outing sign off every risk assessment.
- An excursion will not go ahead if concerns are raised about its viability at any point.
- Any written outing risk assessments are made available for parents to see.
- Named children are assigned to individual staff member to ensure that each child is well supervised, that no child goes astray and that there is no unauthorised access to children.
- Staff frequently count their designated children and ensure hands are held when on the street and crossing the road.
- Parents who accompany us on outings are responsible for their own child only. Where parents have undergone vetting with us as volunteers, they may be included in the adults to child ratio and have children allocated to them.
- Outings are recorded in an outings record book kept in the setting, stating:
 - The date and time of the outing.
 - The venue and mode of transport used.
 - the names of the staff members assigned to each of the children.
 - The time of return.
- The amount of equipment brought on trips will vary and be consistent with the venue and the number of children, as well as how long they will be out for. We apply sun cream to children as needed and ensure they are dressed appropriately for the type of outing and weather conditions.
- We take a list of children with us with contact numbers of parents/careers, as well as an accident book and a copy of our Missing Child Policy.

- We provide children with badges or 'high viz' vests to wear that contain the name and setting telephone number – but not the name of the child.
- Records are kept of the vehicles used to transport children, with named drivers and appropriate insurance cover.
- We ensure that seat belts are worn whilst travelling in vehicles and that booster seats and child safety seats are used as appropriate to the age of the child.
- As a precaution, we ensure that children do not eat when travelling in vehicles.
- We ensure that contracted drivers are from reputable companies, do not have unsupervised access to the children and are not included in the ratios.

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Providers must ensure that they take all reasonable steps to ensure staff and children in their care are not exposed to risks and must be able to demonstrate how they are managing risks.

8.4 Risk assessment

Policy statement

We believe that the health and safety of children is of paramount importance. We make our setting a safe and healthy place for children, parents, staff and volunteers by assessing and minimising the hazards and risks to enable the children to thrive in a healthy and safe environment.

Risk assessment means:

Taking note of aspects of your workplace and activities that could cause harm, either to yourself or to others, and deciding what needs to be done to prevent that harm, making sure this is adhered to.

The law does not require that all risk is eliminated, but that 'reasonable precaution' is taken. This is particularly important when balancing the need for children to be able to take appropriate risks through physically challenging play. Children need the opportunity to work out what is not safe and what they should do when faced with a risk.

Health and safety risk assessments inform procedures. Staff and parents should be involved in reviewing risk assessments and procedures – they are the ones with first-hand knowledge as to whether the control measures are effective – and they can give an informed view to help update procedures accordingly.

This policy is based on the five steps below:

- Identification of a risk: Where is it and what is it?
- Who is at risk: Childcare staff, children, parents, cooks, cleaners etc?
- Assessment as to whether the level of a risk is high, medium, low. This takes into account both the likelihood of it happening, as well as the possible impact if it did.
- Control measures to reduce/eliminate risk: What will you need to do, or ensure others will do, in order to reduce that risk?
- Monitoring and review: How do you know if what you have said is working, or is thorough enough? If it is not working, it will need to be amended, or maybe there is a better solution.

Procedures

- Our manager undertake training and ensure our staff and volunteers have adequate training in health and safety matters.
- Our risk assessment process covers adults and children and includes:

- determining where it is helpful to make some written risk assessments in relation to specific issues, to inform staff practice, and to demonstrate how we are managing risks if asked by parents and/or carers and inspectors;
 - checking for and noting hazards and risks indoors and outside, in relation to our premises and activities;
 - assessing the level of risk and who might be affected;
 - deciding which areas need attention; and
 - developing an action plan that specifies the action required, the time-scales for action, the person responsible for the action and any funding required.
- Where more than five staff and volunteers are employed, the risk assessment is written and is reviewed regularly.
 - We maintain lists of health and safety issues, which are checked daily before the session begins, as well as those that are checked on a weekly and termly basis when a full risk assessment is carried out.
 - Our manager ensures that checks, such as electricity and gas safety checks, and any necessary work to the setting premises are carried out annually and records are kept.
 - Our manager ensures that staff members carry out risk assessments that include relevant aspects of fire safety, food safety for all areas of the premises.
 - Our manager ensures that staff members carry out risk assessments for work practice including:
 - changing children;
 - preparation and serving of food/drink for children;
 - children with allergies;
 - cooking activities with children;
 - supervising outdoor play and indoor/outdoor climbing equipment;
 - putting babies or young children to sleep;
 - assessment, use and storage of equipment for disabled children;
 - the use and storage of substances which may be hazardous to health, such as cleaning chemicals;
 - visitors to the setting who are bringing equipment or animals as part of children's learning experiences; and
 - following any incidents involving threats against staff or volunteers.
 - Our manager ensures that staff members carry out risk assessments for off-site activities if required, including:
 - children's outings (including use of public transport)
 - home visits; and
 - other off-site duties such as attending meetings, banking etc.
 - We take precautions to reduce the risks of exposure to Legionella (Legionnaires' disease). Our manager ensure that we are familiar with the HSE guidance and risk assess accordingly.

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Providers must take reasonable steps to ensure the safety of children, staff and others on the premises in the case of fire or any other emergency, and must have an emergency evacuation procedure.

8.5 Fire safety and emergency evacuation

Policy statement

We ensure the highest possible standard of fire precautions are in place. The person in charge and our staff are familiar with the current legal requirements. Where necessary We seek the advice of a competent person, such as our Fire Officer or Fire Safety Consultant. A Fire Safety Log Book is used to record the findings of risk assessment, any actions taken or incidents that have occurred and our fire drills. Downloadable Fire Safety Log Books are widely available free of charge on line. We ensure our policy is in line with the procedures specific to our site, making reasonable adjustments as required.

Procedures

Fire safety risk assessment

- The basis of fire safety is risk assessment, carried out by a 'competent person'.
- The manager has received training in fire safety sufficient to be competent to carry out the risk assessment; this will be written follow the Government guidance Fire Safety Risk Assessment - Educational Premises (HMG 2006).
 - our fire safety risk assessment focuses on the following for each area of the setting:
 - Electrical items.
 - Matches.
 - Flammable materials – including furniture, furnishings, paper etc.
 - Flammable chemicals.
 - Means of escape.
 - Anything else identified.
- Where We rent premises, We will ensure that We have a copy of the fire safety risk assessment that applies to the building and that We contribute to regular reviews.

Fire safety precautions taken

- We ensure that fire doors are clearly marked, never obstructed and easily opened from the inside.
- We ensure that smoke detectors/alarms and fire fighting appliances conform to BS EN standards, are fitted in appropriate high risk areas of the building and are checked as specified by the manufacturer.
- We have all electrical equipment checked annually by a qualified electrician. Any faulty electrical equipment is taken out of use and either repaired or replaced.
- our emergency evacuation procedures are approved by the Fire Safety Officer and are:
 - clearly displayed in the premises;
 - explained to new members of staff, volunteers and parents; and

- practised regularly, at least once every six weeks.
- Records are kept of fire drills and of the servicing of fire safety equipment.

Emergency evacuation procedure

Every setting is different, and the evacuation procedure will be suitable for each setting. It must cover procedures for practice drills including:

- How children are familiar with the sound of the fire alarm.
 - *Children respond regularly to the 'wolf call' during sessions and can be directed once collected together.*
- How the children, staff and parents know where the fire exits are.
 - *Exists from Kindergarten site known by all staff and visitors identified by gates.*
 - *Exists from main site are single point through the main gate, however the site has only one hard boundary meaning parents and children can be moved away from immediate danger in any direction as dictated by staff and the fire location.*
- How children are led from the building to the assembly point.
 - *Children assembled using 'wolf call' and then lead in a group by leaders.*
- How children will be accounted for and who by.
 - *Staff will head count children once in a safe location. Adult 1 will remain with the children while Adult 2 collects any children not accounted for.*
- How long it takes to get the children out safely.
 - *a walking pace from the farthest point of the site to the gate is approximately 5 minutes walk for toddlers, less for older children*
- Who calls the emergency services, and when, in the event of a real fire.
 - *In the event of an uncontrolled fire, Adult 1 is primarily responsible for the children and Adult 2 is responsible for calling the emergency services.*
- How parents are contacted.
 - *Parents will be contacted by Adult 1 once children have been secured and counted.*

Fire drills

We hold fire drills termly and record the following information about each fire drill in the Fire Safety Log Book:

- The date and time of the drill.
- Number of adults and children involved.
- How long it took to evacuate.
- Whether there were any problems that delayed evacuation.
- Any further action taken to improve the drill procedure.

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Providers must keep premises and equipment clean, and be aware of, and comply with, requirements of health and safety legislation (including hygiene requirements).

8.6 Animals in the setting

Policy statement

Children learn about the natural world, its animals and other living creatures, as part of the Learning and Development Requirements of the Early Years Foundation Stage. This may include contact with animals, or other living creatures, either in the setting or on visits. [We/I] aim to ensure that this is in accordance with sensible hygiene and safety controls.

Procedures

Animals in the setting as pets

- We will not keep animals as pets due to the nature of the setting.

Visits to farms

- We do not visit farms in our setting.

Legal framework

General Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Providers must have a no-smoking policy, and must prevent smoking in a room, or outside play area, when children are present or about to be present

8.7 No-smoking

Policy statement

We comply with health and safety regulations and the Safeguarding and Welfare Requirements of the Early Years Foundation Stage in making [our/my] setting a no-smoking environment - both indoors and outdoors.

Procedures

- All staff, parents and volunteers are made aware of our No-smoking Policy.
- The No-smoking Policy is stated in information for parents and staff.
- We actively encourage no-smoking by having information for parents and staff about where to get help to stop smoking if they are seeking this information.
- Staff who smoke do not do so during working hours, unless on a scheduled break and off the premises.
- Staff who smoke during working hours and travelling to and from work must not do so whilst wearing a setting uniform, or must at least cover the uniform.
- E-cigarettes are not permitted to be used on the premises.
- Staff who smoke during their break make every effort to reduce the effects of odour and passive smoking for children and colleagues
- Smoking is not permitted in any vehicles belonging to the setting.
- Staff are made aware that failure to adhere to this policy and procedures may result in disciplinary action.
- It is a criminal offence for employees to smoke in smoke-free areas, with a fixed penalty of £50 or prosecution and a fine of up to £200.

Legal framework

- The Smoke-free (Premises and Enforcement) Regulations (2006)
- The Smoke-free (Signs) Regulations (2012)

8.8 Health and safety risk assessment template

Risk area:	Carried out by:			Date:
Risk identified:	Who is at risk:	Level of risk:	Control measure and person(s) responsible:	Review:
	People on premises and those most vulnerable.	Of hazard occurring and risk to people.	Remove and reduce hazards. Remove and reduce risk to people.	Record, plan, inform, instruct, train and review.
				

8.9 Fire safety risk assessment template

Risk area:	Children of the Forest – Whole Site	Carried out by:	Lewis Ames & Gemma Southerden	Date:	22/4/2018
Fire hazards:		Who is at risk:		Control measure:	
Ignition Fuel Oxygen		People on premises and those most vulnerable	Of fire occurring and the risk to people	Remove and reduce hazards that may cause fire. Remove and reduce risks to people.	Review: Record, plan, inform, instruct, train and review
I - Electrical items e.g. phones, powerdrill, anemometer	All people on the premises and in the vicinity. Especially: children in unsupervised areas; children or adults with language difficulties / EAL; employees who work alone and/or in isolated areas, e.g. cleaners and security staff; people who are unfamiliar with the premises, e.g. visitors and members of the public; people with disabilities* (including mobility impairment, or hearing or vision impairment, etc.); people who may have some other reason for not being able to leave the premises quickly, e.g. young children or babies in a crèche, those who you know have special needs or the elderly.	Low	Items checked regularly; any malfunction results in items being removed from service. Items stored in cabin when not in use.		
I - Campfires (including sparks and embers)		Medium	Permanent fire pits filled with sand. Water kept close by. Fire blanket kept close by. Non-permanent fire sites dynamically risk assessed and risk assessment / procedures for fire lighting activities are followed. Campfires monitored during wind to ensure embers are not travelling towards fuel source. In this case, fire is made smaller / extinguished / barrier is used. All session participants briefed on risk of campfire.		
I - Fire Strikers/Ferro rods		Low	Only used under supervision in correct manner according to fire lighting activities risk assessment.		
I - Matches		Low	Only used to light birthday cake candles. Not kept on site.		
I - Gas Lighters		Medium	Used only by staff, checked regularly for malfunctions / damage.		
I - Sunlight / Reflective surfaces / magnifying glasses		Low	Site monitored during prolonged periods of sun. No reflective surfaces except for cabin windows are left out in direct sun.		

I - Cigarettes	Low	No smoking on site. Neighbouring woodland plots monitored for people smoking and discarding cigarettes.	
F - Forest Environment (especially in prolonged dry weather)	Medium	Temporary fires limited or prohibited during these times. Main campfires kept small during these periods. Fuel not stored near to campfire in this time.	
F - Log Store	Low	Sited away from fires in area with limited access. Logs stored at a large size to prevent ignition risk.	
F - Chainsaw petrol	High	Kept in locked metal box.	
F - Paints & Varnish Tins	High	Kept in locked metal box.	
F - Parachute/Tarpaulins	Medium	Parachute over fires is ripstop fire resistant nylon. Tarpaulins when in use are suspended a safe distance above flames. When not in use are not stored next to sources of ignition.	
F - Paper & Cardboard	Low	Not used near sources of ignition. Stored in cabin.	
F - Log cabin and toilet shed	Low	Ignition sources kept away and not used in or around these structures.	
F - Chemical Firelighters	Low	Stored in box in cabin and not left near ignition sources.	

F - Cotton wool	Low	Stored in box in cabin and not left near ignition sources.	
F - Vaseline	Low	Stored in box in cabin and not left near ignition sources.	
F- fabric and wool craft supplies	Low	Stored in box in cabin and not left near ignition sources.	
F - tyres	Low	Not played with / used near fires or ignition sources.	
F - Books and files	Low	Stored in box in cabin and not left near ignition sources.	
F - Cooking oil	Medium	Stored in box in cabin and not left near ignition sources.	
F - Clothing and hair	Low	Staff aware of appropriate clothing to wear at work. Session participants involved in fire lighting activities briefed. Long hair tied back near fires.	
F - tents	Medium	Not used near fires or sources of ignition.	
F - dead hedges and fences	Medium	Fires kept away from these.	

<input type="radio"/> - The outdoor environment	Low	N/A	
<input type="radio"/> - Windy weather conditions	Low	N/A	

Before completing this form please refer to the five steps in the fire safety procedures

Safety and suitability of premises, environment and equipment: Safety

Providers must take reasonable steps to ensure the safety of children, staff and others on the premises

8.10 Staff personal safety including home visits

Policy statement

This setting believes that the health and safety of all staff is of paramount importance and that all staff have the right to work in a safe environment. We support safe working both on and off the premises, acknowledging the needs and diversity of children and their family.

Procedures

General

- All staff in the building early in the morning, or late in the evening, ensure doors and windows are locked.
- Where possible, at least the first two members of staff to arrive in the building arrive together, and the last two members of staff in the building leave together.
- Visitors are generally only allowed access with prior appointments and only admitted once their identity has been verified.
- Minimal petty cash is kept on the premises.
- When taking cash to the bank, members of staff are aware of personal safety. Managers carry out a risk assessment and develop an agreed procedure appropriate to the setting, staff and location.
- Members of staff make a note in the diary of meetings they are attending, who they are meeting and when they are expected back.
- Managers have good liaison with local police and ask for advice on safe practice where there are issues or concerns.

Home visits

Where staff members conduct home visits, this is done at the manager's discretion and the following health and safety considerations apply:

- Prior to a home visit the key person and manager undertake a risk assessment that is specific to the visit being undertaken.
- Members of staff normally do home visits in pairs – usually the manager/deputy manager with the key person.
- Each home visit is recorded in the diary with the name and address of the family being visited, prior to the visit taking place.
- Staff alert an agreed contact person in the setting when they are leaving to do the home visit and advise on their expected time of return.
- If there is any reason for staff to feel concerned about entering premises, they do not do so, for example, if a parent appears drunk.
- Members of staff carry a mobile phone when going out on a home visit.

- Staff identify an emergency word/phrase, which is made known to all staff in the setting, so that if they feel extremely threatened or in danger on a home visit they can covertly alert other members of staff via a telephone call to the situation. Use of the agreed word/phrase will initiate an immediate 999 call to be made.
- If staff do not return from the home visit at the designated time, the contact person attempts to phone them and continues to do so until they make contact.
- If no contact is made after a reasonable amount of time has passed, the contact person rings the police.

Dealing with agitated parents in the setting

- If a parent appears to be angry, mentally agitated or possibly hostile, two members of staff will lead the parent away from the children to a less open area, but will not shut the door behind them.
- If the person is standing, staff will remain standing.
- Members of staff will try to empathise and ensure that the language they use can be easily understood.
- Staff will speak in low, even tones, below the voice level of the parent.
- Members of staff will make it clear that they want to listen and seek solutions.
- If the person makes threats and continues to be angry, members of staff make it clear that they will be unable to discuss the issue until the person stops shouting or being abusive, while avoiding potentially inflammatory expressions such as 'calm down' or 'be reasonable'.
- If threats or abuse continues, members of staff will explain that the police will be called and emphasise the inappropriateness of such behaviour in front of children.
- After the event, details are recorded in the child's personal file together with any decisions made with the parents to rectify the situation and any correspondence regarding the incident.

Safeguarding and Welfare Requirement: Equal Opportunities

Providers must have and implement a policy, and procedures, to promote equality of opportunity for children in their care, including support for children with special educational needs or disabilities.

9.2 Supporting children with special educational needs

Policy statement

We provide an environment in which all children with special educational needs (SEN) are supported to reach their full potential.

- We have regard for the Special Educational Needs and Disability Code of Practice (2014).
- We have in place a clear approach for identifying, responding to, and meeting children's SEN¹.
- We support and involve parents (and where relevant children), actively listening to, and acting on their wishes and concerns.
- We work in partnership with the local authority and other external agencies to ensure the best outcomes for children with SEN and their families.
- We regularly monitor and review our policy, practice and provision and, if necessary, make adjustments.

Procedures

For group provision: We designate a member of staff to be the Special Educational Needs Co-ordinator (SENCO) and give his/her name to parents. Our SENCO is:

The SENCO works closely with our manager and other colleagues and has responsibility for the day-to-day operation of our Supporting Children with Special Educational Needs Policy and for co-ordinating provision for children with SEN.

-
- We ensure that the provision for children with SEN is the responsibility of all members of the setting.
 - We ensure that our inclusive admissions practice ensures equality of access and opportunity.
 - We provide a broad, balanced and differentiated curriculum for all children.
 - We/I] apply SEN support to ensure early identification of children with SEN.
 - We use the graduated approach system (assess, plan, do and review) applied in increasing detail and frequency to ensure that children progress.
 - We ensure that parents are involved at all stages of the assessment, planning, provision and review of their children's special education including all decision making processes
 - We where appropriate, take into account children's views and wishes in decisions being made about them, relevant to their level understanding.
 - We provide parents with information on local sources of support and advice e.g. Local Offer, Information, Advice and Support Service.
 - We liaise and work with other external agencies to help improve outcomes for children with SEN.

¹ This includes disabled children with special educational needs

- We have systems in place for referring children for further assessment e.g. Common Assessment Framework/Early Help Assessment and Education, Health and Care (EHC) assessment.
- We provide resources (human and financial) to implement our Supporting Children with Special Educational Needs Policy.
- We ensure that all our staff are aware of our Supporting Children with Special Educational Needs Policy and the procedures for identifying, assessing and making provision for children with SEN. We provide in-service training for parents, practitioners and volunteers.
- We raise awareness of our special education provision via our website and or promotional materials.
- We ensure the effectiveness of our special educational needs provision by collecting information from a range of sources e.g. action plan reviews, staff and management meetings, parental and external agency's views, inspections and complaints. This information is collated, evaluated and reviewed annually.
- We provide a complaints procedure.
- We monitor and review our policy annually.

Safeguarding and Welfare Requirement: Special educational needs

Providers must have arrangements in place to support children with SEN or disabilities.

9.1 Valuing diversity and promoting inclusion and equality

Policy statement

We are committed to ensuring that our service is fully inclusive in meeting the needs of all children.

We recognise that children and their families come from a wide range of backgrounds with individual needs, beliefs and values. They may grow up in family structures that include one or two parents of the same or different sex. Children may have close links or live with extended families of grandparents, aunts, uncles and cousins; while other children may be more removed from close kin, or may live with other relatives or foster carers. Some children come from families who experience social exclusion, severe hardship; discrimination and prejudice because of their ethnicity, disability and/or ability, the languages they speak, their religious or personal beliefs, their sexual orientation and marital status. Some individuals face discrimination linked to their gender and some women are discriminated against because of their pregnancy and maternity status. We understand that all these factors can affect the well-being of children within these families and may adversely impact on children's learning, attainment and life outcomes.

We are committed to anti-discriminatory practice to promote equality of opportunity and valuing diversity for all children and families using our setting. We aim to:

- promote equality and value diversity within our service and foster good relations with the local community;
- actively include all families and value the positive contribution they make to our service;
- promote a positive non-stereotyping environment that promotes dignity, respect and understanding of difference in all forms;
- provide a secure and accessible environment in which every child feels safe and equally included;
- improve our knowledge and understanding of issues relating to anti-discriminatory practice;
- challenge and eliminate discriminatory actions on the basis of a protected characteristic as defined by the Equality Act (2010) namely:
 - age;
 - gender;
 - gender reassignment;
 - marital status;
 - pregnancy and maternity;
 - race;
 - disability;
 - sexual orientation; and
 - religion or belief.

- where possible, take positive action to benefit groups or individuals with protected characteristics who are disadvantaged, have a disproportional representation within the service or need different things from the service.

Procedures

Admissions

our setting is open and accessible to all members of the community.

- We base our Admissions Policy on a fair system.
- We do not discriminate against a child or their family in our service provision, including preventing their entry to our setting based on a protected characteristic as defined by the Equality Act (2010).
- We advertise our service widely.
- We provide information in clear, concise language, whether in spoken or written form and provide information in other languages (where ever possible).
- We reflect the diversity of our community and wider society in our publicity and promotional materials.
- We provide information on our offer of provision for children with special educational needs and disabilities.
- We ensure that all parents are made aware of our Valuing Diversity and Promoting Inclusion and Equality Policy.
- We make reasonable adjustments to ensure that disabled children can participate successfully in the services and in the curriculum offered by the setting.
- We ensure, wherever possible, that we have a balanced intake of boys and girls in the setting.
- We take action against any discriminatory, prejudice, harassing or victimising behaviour by our staff, volunteers or parents whether by:
 - direct discrimination – someone is treated less favourably because of a protected characteristic e.g. preventing families of a specific ethnic group from using the service;
 - indirect discrimination – someone is affected unfavourably by a general policy e.g. children must only speak English in the setting;
 - discrimination arising from a disability – someone is treated less favourably because of something connected with their disability e.g. a child with a visual impairment is excluded from an activity;
 - association – discriminating against someone who is associated with a person with a protected characteristic e.g. behaving unfavourably to someone who is married to a person from a different cultural background; or
 - perception – discrimination on the basis that it is thought someone has a protected characteristic e.g. making assumptions about someone's sexual orientation.
- We will not tolerate behaviour from an adult who demonstrates dislike or prejudice towards individuals who are perceived to be from another country (xenophobia).
- Displaying of openly discriminatory xenophobic and possibly offensive or threatening materials, name calling, or threatening behaviour are unacceptable on, or around, our premises and will be dealt with immediately and discreetly by asking the adult to stop using the unacceptable behaviour and inviting them to read and to act in accordance with the relevant policy statement and procedure. Failure to comply may lead to the adult being excluded from the premises.

Employment

- We advertise posts and all applicants are judged against explicit and fair criteria.
- Applicants are welcome from all backgrounds and posts are open to all.
- We may use the exemption clauses in relevant legislation to enable the service to best meet the needs of the community.
- The applicant who best meets the criteria is offered the post, subject to references and suitability checks. This ensures fairness in the selection process.
- All our job descriptions include a commitment to promoting equality, and recognising and respecting diversity as part of their specifications.
- We monitor our application process to ensure that it is fair and accessible.

Training

- We seek out training opportunities for our staff and volunteers to enable them to develop anti-discriminatory and inclusive practices.
- We ensure that our staff are confident and fully trained in administering relevant medicines and performing invasive care procedures on children when these are required.
- We review our practices to ensure that we are fully implementing our policy for Valuing Diversity and Promoting Equality.

Curriculum

The curriculum offered in our setting encourages children to develop positive attitudes about themselves as well as about people who are different from themselves. It encourages development of confidence and self esteem, empathy, critical thinking and reflection.

We ensure that our practice is fully inclusive by:

- creating an environment of mutual respect and tolerance;
- modelling desirable behaviour to children and helping children to understand that discriminatory behaviour and remarks are hurtful and unacceptable;
- positively reflecting the widest possible range of communities within resources;
- avoiding use of stereotypes or derogatory images within our books or any other visual materials;
- celebrating locally observed festivals and holy days;
- ensuring that children learning English as an additional language have full access to the curriculum and are supported in their learning;
- ensuring that disabled children with and without special educational needs are fully supported;
- ensuring that children speaking languages other than English are supported in the maintenance and development of their home languages

We will ensure that our environment is as accessible as possible for all visitors and service users. We do this by:

- undertaking an access audit to establish if the setting is accessible to all disabled children and adults. If access to the setting is found to treat disabled children or adults less favourably, then We make reasonable adjustments to accommodate the needs of disabled children and adults.
- fully differentiating the environment, resources and curriculum to accommodate a wide range of learning, physical and sensory needs.

Valuing diversity in families

- We welcome the diversity of family lifestyles and work with all families.
- We encourage children to contribute stories of their everyday life to the setting.
- We encourage mothers, fathers and other carers to take part in the life of the setting and to contribute fully.
- For families who speak languages in addition to English, We will develop means to encourage their full inclusion.
- We offer a flexible payment system for families experiencing financial difficulties and offer information regarding sources of financial support.
- We take positive action to encourage disadvantaged and under-represented groups to use the setting.

Food

- We work in partnership with parents to ensure that dietary requirements of children that arise from their medical, religious or cultural needs are met where ever possible.
- We help children to learn about a range of food, and of cultural approaches to mealtimes and eating, and to respect the differences among them.

Meetings

- Meetings are arranged to ensure that all families who wish to may be involved in the running of the setting.
- We positively encourage fathers to be involved in the setting, especially those fathers who do not live with the child.
- Information about meetings is communicated in a variety of ways - written, verbal and where resources allow in translation - to ensure that all mothers and fathers have information about, and access to, the meetings.

Monitoring and reviewing

- So that our policies and procedures remain effective, We monitor and review them annually to ensure our strategies meet our overall aims to promote equality, inclusion and to value diversity.
- We provide a complaints procedure and a complaints summary record for parents to see.

Public Sector Equality Duty

- We have regard to the Duty to eliminate discrimination, promote equality of opportunity, foster good relations between people who share a protected characteristic and those who do not.

9.3 Social Wellbeing Audit

Please include comments and actions for each question answered 'No'.

Audit Area	Yes	No	Comments	Actions to be taken
Has the setting planned and implemented a behaviour strategy?				
Does the setting have a named and suitably skilled behaviour coordinator as per the EYFS safeguarding and welfare requirements?				
Is Leuven's assessment scale for children's well-being and involvement used in the setting?				
Are the dynamics of the setting managed to ensure a balanced intake of children? (For example, age, needs and sex of children)				
If used, are approved methods of rewards and sanctions used consistently by all staff?				
Do all staff understand and apply the same approved methods for intervening in minor incidents of unwanted behaviour? (For example, conflict resolution approach)				

Audit Area	Yes	No	Comments	Action to be taken
Are all staff trained to understand:				
■ Methods for initial intervention, identification and analysis of unwanted behaviours				
■ Methods for adapting/changing behaviours				
■ Appropriate reward and sanctions methods				
■ Alternative communication systems				
■ Safeguarding				
■ Inclusion				
■ Emotional literacy				
■ Risk assessment				

Audit Area**Yes No Comments Action to be taken**

Do all staff understand and use an approved method for identifying and analysing unwanted behaviours? (For example, antecedent, behaviour and consequence chart)

	Yes	No	Comments	Action to be taken
Do the policy and procedures on behaviour incorporate related EYFS requirements?				
Are policy and procedures relating to 'management' of behaviour reviewed and updated annually?				
Do children have regular access to an outdoor environment?				
Are all areas of the indoor and outdoor play environments uncluttered and defined?				
Is there sufficient space for children to move around freely in all areas of the play environment?				
Do children have access to quiet areas?				

Is there control of natural/artificial light in play areas?

--	--	--	--

Audit Area

Can the temperature of the play environment be controlled?

Yes	No	Comments	Action to be taken

Is the internal play environment free from unnecessary noise?

--	--	--	--

Are there sufficient general resources for children of all ages and abilities?

--	--	--	--

Are unfavourable acoustics in the play area managed to prevent noise distortion?
(for example, introduction of soft furnishings, canopies etc)

--	--	--	--

Are supplementary methods of communication used in the setting? (For example, signing)

--	--	--	--

Are pictorial symbols used to improve children's understanding of the daily timetable?
(For example, picture exchange communication)

--	--	--	--

Are known trigger points for conflict in the setting managed?

Approach to the building

Key Yes No Comment/Action

Are there disabled parking facilities?

Key	Yes	No	Comment/Action

Are kerbs lowered?

Is the entrance gate wide enough for wheelchair users?

Are there orientation landmarks for visual impairment?

Is the route clearly signed?

Are support rails or resting platforms provided on inclines?

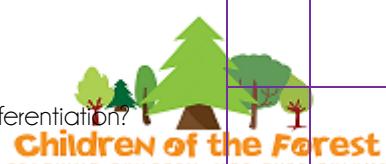

Are all surface coverings even and non-slip?

Are pathways clear of obstructions?

Are all areas adequately lit?

Do steps and handrails accompany ramps?

Are steps suitable and highlighted for differentiation?

Are resting platforms available and highlighted?			
Is there adequate lighting at the front and along the route to the building?			
Entrances	Key	Yes	No
Is there an entry phone and/or a doorbell and are they at a reasonable height for wheelchair users?			
Is there a level or flush threshold?			
Are doors easy to open and doorways wide enough for all users to pass through and clear the door swing?			
Are glazed doors marked for safety/visibility?			
Are door closer mechanisms appropriately adjusted (so as not to close too quickly)?			
Are door controls (handles/knobs) at a suitable height, clearly located and easy to use?			
Is the information on the welcome board in a range of formats and at an appropriate height to suit varying needs?			
Is the entrance signposted and easy to find?			

Is the route to the destination clearly marked?			
If applicable, is the doormat in a good condition and flush with the floor?			
If an induction loop is fitted, is it working?			
Can people either side of the door be seen?			
Are surfaces non-slip?			
Is lighting adequate?			

Inside the building

Key Yes No Comment/Action

Are all floor surfaces suitable?			
Are the acoustics of the building suitable for children/adults with hearing impairments?			
Are there colour and tonal contrasts to help distinguish fixtures and fittings from surfaces, walls and floors?			
Is there a disabled WC facility?			
Is there a handrail in one of the children's WCs?			

Are support rails available in relevant areas?			
Is the environment free from unnecessary noise?			
Are audible, manual and mechanical alarm systems supplemented with visual and verbal warnings?			
Are all areas in the building wide enough for adults and children using mobility equipment to manoeuvre?			
Are fittings fixed without dangerous edges?			
Are travel routes clutter free (e.g. from shoes and buggies)?			
Is there control of natural/artificial light to avoid glare/silhouettes and is lighting adequate?			
Are door closer mechanisms appropriately adjusted (so as not to close too quickly)?			
Are door controls (handles/knobs) at a suitable height, clearly located and easy to use?

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Providers must follow their legal responsibilities under the Equality Act 2010.

9.5 British values

Policy statement

We actively promote inclusion, equality of opportunity, the valuing of diversity and British values.

Under the Equality Act 2010, which underpins standards of behaviour and incorporates both British and universal values, we have a legal obligation not to directly or indirectly discriminate against, harass or victimise those with protected characteristics. We make reasonable adjustments to procedures, criteria and practices to ensure that those with protected characteristics are not at a substantial disadvantage.

Social and emotional development is shaped by early experiences and relationships and incorporates elements of equality and British and universal values. The Early Years Foundation Stage (EYFS) supports children's earliest skills so that they can become social citizens in an age-appropriate way, that is, so that they are able to listen and attend to instructions; know the difference between right and wrong; recognise similarities and differences between themselves and others; make and maintain friendships; develop empathy and consideration of other people; take turns in play and conversation; avoid risk and take notice of rules and boundaries; learn not to hurt/upset other people with words and actions; understand the consequences of hurtful/discriminatory behaviour.

Procedures

British Values

The fundamental British values of *democracy, rule of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs* are already implicitly embedded in the 2014 EYFS and are further clarified below, based on the *Fundamental British Values in the Early Years* guidance (Foundation Years 2015):

- Democracy, or making decisions together (through the prime area of Personal, Social and Emotional Development)
 - As part of the focus on self-confidence and self-awareness, practitioners encourage children to see their role in the bigger picture, encouraging them to know that their views count, to value each other's views and values, and talk about their feelings, for example, recognising when they do or do not need help.
 - Practitioners support the decisions that children make and provide activities that involve turn-taking, sharing and collaboration. Children are given opportunities to develop enquiring minds in an atmosphere where questions are valued.
- Rule of law, or understanding that rules matter (through the prime area of Personal, Social and Emotional Development)
 - Practitioners ensure that children understand their own and others' behaviour and its consequence.

- Practitioners collaborate with children to create rules and the codes of behaviour, for example, the rules about tidying up, and ensure that all children understand rules apply to everyone.
- *Individual liberty*, or freedom for all (through the prime areas of Personal, Social and Emotional Development, and Understanding the World)
 - Children should develop a positive sense of themselves. Staff provide opportunities for children to develop their self-knowledge, self-esteem and increase their confidence in their own abilities, for example through allowing children to take risks on an obstacle course, mixing colours, talking about their experiences and learning.
 - Practitioners encourage a range of experiences that allow children to explore the language of feelings and responsibility, reflect on their differences and understand we are free to have different opinions, for example discussing in a small group what they feel about transferring into Reception Class.
- *Mutual respect and tolerance*, or treating others as you want to be treated (through the prime areas of Personal, Social and Emotional Development, and Understanding the World)
 - Practitioners create an ethos of inclusivity and tolerance where views, faiths, cultures and races are valued and children are engaged with the wider community.
 - Children should acquire tolerance, appreciation and respect for their own and other cultures; know about similarities and differences between themselves and others, and among families, faiths, communities, cultures and traditions.
 - Practitioners encourage and explain the importance of tolerant behaviours, such as sharing and respecting other's opinions.
 - Practitioners promote diverse attitudes and challenge stereotypes, for example, sharing stories that reflect and value the diversity of children's experiences and providing resources and activities that challenge gender, cultural or racial stereotyping.
- *In our setting it is not acceptable to:*
 - actively promote intolerance of other faiths, cultures and races
 - fail to challenge gender stereotypes and routinely segregate girls and boys
 - isolate children from their wider community
 - fail to challenge behaviours (whether of staff, children or parents) that are not in line with the fundamental British values of democracy, rule of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs

Prevent Strategy

Under the Counter-Terrorism and Security Act 2015 we also have a duty “*to have due regard to the need to prevent people from being drawn into terrorism*”

10.1 Early years prospectus

[Name of provider]'s Early Years Prospectus for Parents

[Address]

[Telephone number]

[Email address]

Welcome to [name of setting] and thank you for registering your child with [us/me].

[We/I] know how important your child is and aim to deliver the highest quality of care and education to help them to achieve their best.

This prospectus aims to provide you with an introduction to [name of setting], [our/my] routines, [our/my] approach to supporting your child's learning and development and how [we/I] aim to work together with you to best meet your child's individual needs. This should be read alongside [our/my] Childcare Terms and Conditions for a full description of our services.

[Our/My] setting aims to:

- provide high quality care and education for children below statutory school age;
- work in partnership with parents to help children to learn and develop;
- add to the life and well-being of the local community; and
- offer children and their parents a service that promotes equality and values diversity.

Parents

You are regarded as members of [our/my] setting who have full participatory rights. These include a right to be:

- valued and respected;
- kept informed;
- consulted;
- involved; and
- included at all levels.

[For voluntary managed group provision: As a voluntary managed setting, we also depend on the good will of parents and their involvement to keep going. Membership of the setting carries expectations on you for your support and commitment.]

Children's development and learning

[We/I] aim to ensure that each child:

- is in a safe and stimulating environment;

- is given generous care and attention, because of [our/my] ratio of qualified staff to children, as well as volunteer helpers;
- has the chance to join in with other children and adults to live, play, work and learn together;
- is helped to take forward her/his learning and development by being helped to build on what she/he already knows and can do;
- [has a personal key person who makes sure each child] makes satisfying progress;
- is in a setting that sees parents as partners in helping each child to learn and develop; and
- is in a setting in which parents help to shape the service it offers.

The Early Years Foundation Stage

Provision for the development and learning of children from birth to 5 years is guided by the Early Years Foundation Stage. [Our/My] provision reflects the four overarching principles of the *Statutory Framework for the Early Years Foundation Stage* (DfE 2014):

- *A Unique Child*
Every child is a unique child who is constantly learning and can be resilient, capable, confident and self-assured.
- *Positive Relationships*
Children learn to be strong and independent through positive relationships.
- *Enabling Environments*
Children learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between practitioners, parents and carers.
- *Learning and Development*
Children develop and learn in different ways and at different rates. The framework covers the education and care of all children in early years provision including children with special educational needs and disabilities.

How we provide for development and learning

Children start to learn about the world around them from the moment they are born. The care and education offered by [our/my] setting helps children to continue to do this by providing all of the children with interesting activities that are appropriate for their age and stage of development.

The Areas of Development and Learning comprise:

- *Prime Areas*
 - Personal, social and emotional development.
 - Physical development.
 - Communication and language.

- *Specific Areas*
 - Literacy.
 - Mathematics.
 - Understanding the world.
 - Expressive arts and design.

For each area, the level of progress that children are expected to have attained by the end of the Early Years Foundation Stage is defined by the Early Learning Goals. These goals state what it is expected that children will know, and be able to do, by the end of the reception year of their education.

The *Early Years Outcomes* (DfE 2013) guidance sets out the likely stages of progress a child makes along their progress towards the Early Learning Goals. [Our/My] setting has regard to these when we assess children and plan for their learning. [Our/My] programme supports children to develop the knowledge, skills and understanding they need for:

Personal, social and emotional development

- making relationships;
- self-confidence and self-awareness; and
- managing feelings and behaviour.

Physical development

- moving and handling; and
- health and self-care.

Communication and language

- listening and attention;
- understanding; and
- speaking.

Literacy

- reading; and
- writing.

Mathematics

- numbers; and
- shape, space and measure.

Understanding the world

- people and communities;
- the world; and

- technology.

Expressive arts and design

- exploring and using media and materials; and
- being imaginative.

Our approach to learning and development and assessment

Learning through play

Being active and playing supports young children's learning and development through doing and talking. This is how children learn to think about and understand the world around them. We/I use the EYFS statutory guidance on education programmes to plan and provide opportunities which will help children to make progress in all areas of learning. This programme is made up of a mixture of activities that children plan and organise for themselves and activities planned and led by practitioners.

Characteristics of effective learning

[We/I] understand that all children engage with other people and their environment through the characteristics of effective learning that are described in the Early Years Foundation Stage as:

- playing and exploring - engagement;
- active learning - motivation; and
- creating and thinking critically - thinking.

[We/I] aim to provide for the characteristics of effective learning by observing how a child is learning and being clear about what [we/I] can do and provide in order to support each child to remain an effective and motivated learner.

Assessment

[We/I] assess how young children are learning and developing by observing them frequently. [We/I] use information that [we/I] gain from observations, as well as from photographs or videos of the children, to document their progress and where this may be leading them. [We/I] believe that parents know their children best and [we/I] will ask you to contribute to assessment by sharing information about what your child likes to do at home and how you, as parents, are supporting development.

[We/I] make periodic assessment summaries of children's achievement based on [our/my] on-going development records. These form part of children's records of achievement. [We/I] undertake these assessment summaries at regular intervals, as well as times of transition, such as when a child moves into a different group or when they go on to school.

The progress check at age two

The Early Years Foundation Stage requires that [we/I] supply parents and carers with a short written summary of their child's development in the three prime areas of learning and development - personal, social and

emotional development; physical development; and communication and language - when a child is aged between 24 - 36 months. [Your child's key person is responsible for completing/I complete] the check using information from on-going observational assessments carried out as part of our everyday practice, taking account of the views and contributions of parents and other professionals.

Records of achievement

[We/I] keep a record of achievement for each child. Your child's record of achievement helps us to celebrate together her/his achievements and to work together to provide what your child needs for her/his well-being and to make progress.

[Your child's key person/I] will work in partnership with you to keep this record. To do this you and [she/he/I] will collect information about your child's needs, activities, interests and achievements. This information will enable the key person to identify your child's stage of progress. Together, we will then decide on how to help your child to move on to the next stage.

Working together for your children

[We/I] maintain the ratio of adults to children in the setting that is set by the Safeguarding and Welfare Requirements. [We/I] also have volunteer parent helpers, where possible, to complement these ratios. This helps [us/me] to:

- give time and attention to each child;
- talk with the children about their interests and activities;
- help children to experience and benefit from the activities [we/I] provide; and
- allow the children to explore and be adventurous in safety.

The staff who work at [our/my] setting are:

Name	Job Title	Qualifications and Experience

[We are/I am] open for _____ weeks each year.

[We are/I am] closed _____

[We are/I am] open for _____ days each week

The times [we are/I am] open are _____

[We/I] provide care and education for young children between the ages of:

and _____ years.

How parents take part in the setting

[Our/My] setting recognises parents as the first and most important educators of their children. All of [our/my] staff see themselves as partners with parents in providing care and education for their children. There are many ways in which parents take part in making [our/my] setting a welcoming and stimulating place for children and parents, such as:

- exchanging knowledge about their children's needs, activities, interests and progress with [our staff/me];
- contributing to the progress check at age two;
- helping at sessions of the setting;
- sharing their own special interests with the children;
- helping to provide and look after the equipment and materials used in the children's play activities;
- being part of the management of the setting where appropriate;
- taking part in events and informal discussions about the activities and curriculum provided by the setting;
- joining in community activities, in which the setting takes part; and
- building friendships with other parents in the setting.

The parents' rota

[Our/My] setting has a dated rota which parents can sign if they would like to help at a particular session or sessions of the setting. Helping at the session enables parents to see what the day-to-day life of [our/my] setting is like and to join in helping the children to get the best out of their activities.

Joining in

Joining the rota is not the only means of taking part in the life of the setting. Parents can offer to take part in a session by sharing their own interests and skills with the children. Parents have visited the setting to play the clarinet for the children, show pictures of the local carnival held in their neighbourhood, and show the children their collection of shells.

[We/I] welcome parents to drop into the setting to see it at work or to speak with [the staff/me].

Key person and your child

[For group provision: Our setting uses a key person approach. This means that each member of staff has a group of children for whom she/he is particularly responsible.] [For childminding provision: I will be the key person for your child.] [Your child's key person will be the person who works/I will work] with you to make sure that the childcare that [we/I] provide is right for your child's particular needs and interests. When your child first starts at the setting, [she/he/I] will help your child to settle and throughout your child's time at the setting, [she/he/I] will help your child to benefit from [our/my] activities.

Learning opportunities for adults

As well as gaining childcare qualifications, [our staff/I] take part in further training to help [them/me] to keep up-to date with thinking about early years care and education. [We/I] also keep up-to-date with best practice, as a member of the Pre-school Learning Alliance, through *Under 5* magazine and other publications produced by the Alliance. The current copy of *Under 5* is available for you to read. From time to time [we/I] hold learning events for parents. These usually look at how adults can help children to learn and develop in their early years.

The setting's timetable and routines

[Our setting believes/I believe] that care and education are equally important in the experience which [we/I] offer children. The routines and activities that make up the day in [our/my] setting are provided in ways that:

- help each child to feel that she/he is a valued member of the setting;
- ensure the safety of each child;
- help children to gain from the social experience of being part of a group; and
- provide children with opportunities to learn and help them to value learning.

The session*

[We/I] organise [our/my] sessions so that the children can choose from, and work at, a range of activities and, in doing so, build up their ability to select and work through a task to its completion. The children are also helped and encouraged to take part in adult-led small and large group activities, which introduce them to new experiences and help them to gain new skills, as well as helping them to learn to work with others. Outdoor activities contribute to children's health, their physical development and their knowledge of the world around

them. The children have the opportunity, and are encouraged, to take part in outdoor child-chosen and adult-led activities, as well as those provided in the indoor playroom(s).

OR

The day*

[We/I] organise the day so that children can take part in a variety of child-chosen and adult-led activities. These take account of children's changing energy levels throughout the day. [We/I] cater for children's individual needs for rest and quiet activities during the day. Outdoor activities contribute to children's health, their physical development and their knowledge of the world around them.

[* Settings offer various types of care: sessional, extended day and full day. When using this prospectus choose which paragraph is appropriate for the type of care you offer.]

Snacks and meals

[We/I] make snacks and meals a social time at which children and adults eat together. [We/I] plan the menus for snacks and meals so that they provide the children with healthy and nutritious food. Please tell [us/me] about your child's dietary needs and [we/I] will plan accordingly.

Clothing

[We/I] provide protective clothing for the children when they play with messy activities. [We/I] encourage children to gain the skills that help them to be independent and look after themselves. These include taking themselves to the toilet and taking off, and putting on, outdoor clothes. Clothing that is easy for them to manage will help them to do this.

Policies

[Our staff can/ I will] explain our policies and procedures to you. Copies of which are available [state where i.e. location within the setting/website]

[Our/my] policies help [us/me] to make sure that the service provided by [our/my] setting is a high quality one and that being a member of the setting is an enjoyable and beneficial experience for each child and her/his parents.

[Our staff and parents work together to adopt the policies and they all have the opportunity to take part in the annual review of the policies/I work together with parents to adopt the policies and provide them with the opportunity to take part in the annual review of the policies]. This review helps [us/me] to make sure that the policies are enabling [our/my] setting to provide a quality service for its members and the local community.

Information we hold about you and your child

[I/We] have procedures in place for the recording and sharing of information [data] about you and your child that is compliant with the principles of the General Data Protection Regulations (2018) as follows:

The data is [I/we] collect is

1. Processed fairly, lawfully and in a transparent manner in relation to the data subject [you and your family]
2. Collected for specified, explicit and legitimate purposes and not further processed for other purposes incompatible with those purposes.
3. Adequate, relevant and limited to what is necessary in relation to the purposes for which data is processed.
4. Accurate and, where necessary, kept up to date.
5. Kept in a form that permits identification of data subjects [you and your family] for no longer than is necessary for the purposes for which the personal data is processed.
6. Processed in a way that ensures appropriate security of the personal data including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.

When you register your child with [us/me] [I/we] will provide you with a privacy notice that gives you further details of how we fulfil our obligations with regard to your data.

Safeguarding children

[Our/My] setting has a duty under the law to help safeguard children against suspected or actual 'significant harm'. [Our/My] employment practices ensure children against the likelihood of abuse in [our/my] setting and we have a procedure for managing complaints or allegations against a member of staff.

[Our/My] way of working with children and their parents ensures that [we are/I am] aware of any problems that may emerge and can offer support, including referral to appropriate agencies when necessary, to help families in difficulty.

Special needs

To make sure that [our/my] provision meets the needs of each individual child, [we/I] take account of any special needs a child may have. [We/I] work to the requirements of the Special Educational Needs and Disability Code of Practice: 0 to 25 years (2015).

Our Special Educational Needs Co-ordinator is

The management of [our/my] setting

[Our setting is a charity and as such is managed by a volunteer management committee - whose members are elected by the parents of the children who attend our setting. The elections take place at our Annual General Meeting. The committee make up the registered person with Ofsted and are responsible for:

- managing our finances;
- employing and managing our staff;
- making sure that we have, and work to, policies that help us to provide a high quality service; and
- making sure that we work in partnership with parents.

The Annual General Meeting is open to the parents of all of the children who attend our setting. It is our shared forum for looking back over the previous year's activities and shaping the coming year's plan.]

OR

[The setting is owned and governed by

[name of owner(s)]

[I am a self-employed childminder, running my own business.]

Our setting has a parent support group. This group is made up of, and elected by, the parents of the children who attend the setting. In our setting we share with this group, some of the tasks involved in managing the setting.

Fees

The fees are £[insert fee] payable [monthly/weekly/daily/half-termly/termly] in advance. Fees must still be paid if children are absent without notice for a short period of time. If your child has to be absent over a long period of time[, talk to [insert name] who is the [committee chair/director/owner] or [insert name] who is our manager/please let me know].

For your child to keep her/his place at [our/my] setting, you must pay the fees. We are in receipt of nursery education funding for two, three and four year olds; where funding is not received, then fees apply.

Starting at [our/my] setting

The first days

[We/I] want your child to feel happy and safe with [us/me]. To make sure that this is the case, [our staff/I] will work with you to decide on how to help your child to settle into the setting. [Our/My] policy on the Role of the Key Person and Settling-in is enclosed with this prospectus, or is available from [insert name].

[We/I] hope that you and your child enjoy being members of [our/my] setting and that you both find taking part in [our/my] activities interesting and stimulating. [Our staff are/I am] always ready and willing to talk with you about your ideas, views or questions.

10.1b Sample Privacy notice

Children of the Forest's Privacy Notice

Children of the Forest's Registration Form
The Old Telephone Exchange, EX153PD
07972491271 Childrenoftheforest@outlook.com

Introduction

We are committed to ensuring that any personal data we hold about you and your child is protected in accordance with data protection laws and is used in line with your expectations.

This privacy notice explains what personal data we collect, why we collect it, how we use it and how we protect it.

What personal data do we collect?

we collect personal data about you and your child to provide care and learning that is tailored to meet your child's individual needs. We also collect information in order to verify your eligibility for free childcare as applicable.

Personal details that we collect about your child include:

- your child's name, date of birth, address, health and medical needs, development needs, and any special educational needs.

Where applicable we will obtain child protection plans from social care and health care plans from health professionals.

we will also ask for information about who has parental responsibility for your child and any court orders pertaining to your child.

Personal details that we collect about you include:

- your name, home and work address, phone numbers, emergency contact details, and family details

This information will be collected from you directly in the registration form.

If you apply for up to 30 hours free childcare, we will also collect:

- your national insurance number or unique taxpayer reference (UTR), if you're self-employed. We may also collect information regarding benefits and family credits that you are in receipt of.

Why we collect this information and the legal basis for handling your data

we use personal data about you and your child in order to provide childcare services and fulfil the contractual arrangement you have entered into. This includes using your data to:

- contact you in case of an emergency

- to support your child's wellbeing and development
- to manage any special educational, health or medical needs of your child whilst at our setting
- to carry out regular assessment of your child's progress and to identify any areas of concern
- to maintain contact with you about your child's progress and respond to any questions you may have
- to process your claim for up to 30 hours free childcare (only where applicable)
- to keep you updated with information about my service

With your consent, we will also record your child's activities for their individual learning record. This may include photographs and videos. You will have the opportunity to withdraw your consent at any time, for images taken by confirming so in writing.

we have a legal obligation to process safeguarding related data about your child should we have concerns about their welfare. we also have a legal obligation to transfer records and certain information about your child to the school that your child will be attending (see *Transfer of Records* policy).

Who we share your data with

In order for us to deliver childcare services we will also share your data as required with the following categories of recipients:

- Ofsted - during an inspection or following a complaint about our service
- banking services to process chip and pin and/or direct debit payments (as applicable)
- the Local Authority (where you claim up to 30 hours free childcare as applicable)
- the government's eligibility checker (as above)
- our insurance underwriter (if applicable)
- our setting software management provider (if applicable)
- the school that your child will be attending

We will also share your data if:

- we are legally required to do so, for example, by law, by a court or the Charity Commission;
- to enforce or apply the terms and conditions of your contract with us;
- to protect your child and other children; for example by sharing information with social care or the police;
- it is necessary to protect my or others rights, property or safety
- we transfer the management of the setting, in which case we may disclose your personal data to the prospective buyer so they may continue the service in the same way.

we will never share your data with any other organisation to use for their own purposes

How do we protect your data?

we protect unauthorised access to your personal data and prevent it from being lost, accidentally destroyed, misused, or disclosed by:

Physical copies are stored in a secure location on-site and digital copies are secured with passwords known only to staff.

How long do we retain your data?

we retain your child's personal data for up to 3 years after your child no longer uses our setting, or until our next Ofsted inspection after your child leaves our setting. Medication records and accident records are kept for longer according to legal requirements. Your child's learning and development records are maintained by us and handed to you when your child leaves.

In some instances (child protection, or other support service referrals) we are obliged to keep your data for longer if it is necessary to comply with legal requirements (see our Children's and Provider Records policies).

Automated decision-making

We do not make any decisions about your child based solely on automated decision-making.

Your rights with respect to your data

You have the right to:

- request access, amend or correct your/your child's personal data
- request that we delete or stop processing your/your child's personal data, for example where the data is no longer necessary for the purposes of processing; and
- request that we transfer your, and your child's personal data to another person

If you wish to exercise any of these rights at any time or if you have any questions, comments or concerns about this privacy notice, or how we handle your data please contact us. If you have continued to have concerns about the way your data is handled and remain dissatisfied after raising your concern with us, you have the right to complain to the Information Commissioner Office (ICO).

The ICO can be contacted at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or ico.org.uk/

Changes to this notice

we keep this notice under regular review. You will be notified of any changes where appropriate.

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10.2 Admissions

Policy statement

It is Our intention to make Our setting accessible to children and families from all sections of the local community. we aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

Procedures

- we ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- we ensure that information about Our setting is accessible, using simple plain English, in written and spoken form and, where appropriate, provided in different community languages and in other formats on request.
- we arrange Our waiting list in birth order. In addition, Our policy may take into account:
 - the age of the child, with priority given to children who are eligible for the free entitlement – including eligible two year old children;
 - the length of time on the waiting list;
 - the vicinity of the home to the setting;
 - whether any siblings already attend the setting; and
 - the capacity of the setting to meet the individual needs of the child.
- we offer funded places in accordance with the Code of Practice for ... and any local conditions in place at the time.
- We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- Our setting and its practices are welcoming and make it clear that fathers, mothers, other relations and carers are all welcome.
- Our setting and its practices operate in a way that encourages positive regard for and understanding of difference and ability
 - whether gender, family structure, class, background, religion, ethnicity or competence in spoken English.
- we support children and/or parents with disabilities to take full part in all activities within Our setting.
- we monitor the needs and background of children joining Our setting on the Registration Form, to ensure that no accidental or unintentional discrimination is taking place.
- we share and widely promote Our Valuing Diversity and Promoting Equality Policy.
- we consult with families about the opening times of Our setting to ensure that we accommodate a broad range of families' needs.
- We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.
- Failure to comply with the terms and conditions may ultimately result in the provision of a place being withdrawn.

About your child

The following information will tell us a little more about your child. As your child settles with us, we will establish their starting points through observation and further conversation with you.

Does your child have previous experience of attending a childcare setting? If so, please specify:

Health and development

Has your child received the following immunisations? Please confirm and provide date of immunisations given.

Two months old	5-in-1 (DTaP/IPV/Hib) vaccine - diphtheria, tetanus, pertussis (whooping cough), polio and Haemophilus influenzae type b (Hib).	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
	Pneumococcal (PCV) vaccine.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
	Rotavirus vaccine.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
Three months old	5-in-1 (DTaP/IPV/Hib) vaccine, second dose - diphtheria, tetanus, pertussis (whooping cough), polio and Haemophilus influenzae type b (Hib).	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
	Meningitis C vaccine.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:

	Rotavirus, second dose.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
Four months old	5-in-1 (DTaP/IPV/Hib) vaccine, third dose - diphtheria, tetanus, pertussis (whooping cough), polio and Haemophilus influenzae type b (Hib).	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
	Pneumococcal (PCV) vaccine, second dose.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
Between 12 and 13 months old	Hib/Men C booster - Haemophilus influenza type b (Hib), forth dose and meningitis C, second dose.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
	MMR vaccine - mumps, measles and rubella.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
	Pneumococcal (PCV) vaccine, third dose.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
Two to three years	Flu vaccine	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
Three years and four months or soon after	MMR vaccine, second dose - mumps, measles and rubella.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:
	4-in-1 (DTaP/IPV) pre-school booster - diphtheria, tetanus, pertussis (whooping cough) and polio.	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Date:

For internal use: Has the child's health record book been seen to confirm immunisation dates? Yes No

Does your child have any on-going medical conditions? If so, please specify:

If yes, please specify which external agencies are involved e.g. Paediatrician, Consultant, Dietician, Speech and Language Therapist, etc:

Does your child require a health care plan? Yes No

Is your child known to have any allergies or food intolerances? If so, please specify:

A risk assessment will be completed and kept on the child's file for any known allergies or food intolerance as mentioned above.

What are your child's dietary requirements? Please specify:

It is our usual practice to provide both a meat and vegetarian option. If this is not in-keeping with your child's dietary requirements, please discuss this with our setting manager to ensure that we are working in partnership to meet your child's needs. Please refer to our Food and Drink Policy.

If your child is aged three years or over, does he or she have difficulty with any of the following:

Speaking and communicating	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Listening and attending	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Understanding simple instructions	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Eating and drinking	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Sitting and sharing a book	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Walking and climbing	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Rolling a ball	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Holding a crayon	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Socialising with adults and other children	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Using the toilet	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Putting on their shoes and socks	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

Any other concerns:

Does your child have any special needs or disabilities? If so, please specify:

Are any of the following in place for the child?

SEN action plan

Education, Health and Care Plan

What special support will he/she require in our setting?

Two year old progress check - children aged 24 - 36 months

If your child is aged between 24-36 months, has a two year old progress check already been completed for your child? Yes
No

Setting completing check

Date completed

As per the requirements of the Early Years Foundation Stage we will complete a progress check on your child between the ages of 24-36 months. We will ask you to be involved in completing the check and will discuss it with you.

Cultural background

How would you describe your child's ethnicity or cultural background?

What is the main religion in your family (if applicable)?

Are there any festivals or special occasions celebrated in your culture that your child will be taking part in and that you would like to see acknowledged and celebrated while he/she is in our setting?

What language(s) is/are spoken at home?

If English is not the main language spoken at home, will this be your child's first experience of being in an English-speaking environment?

Yes

No

Does your child need a bilingual support plan?

Yes

No

If so, discuss and agree with the key person how we can work together to support your child when settling-in:

General information

What is your child's usual sleep pattern?

Does your child have a feeding routine (for children under 2 years)?

Yes

No

Does your child have any food preferences?

Yes

No

Does your child have a pacifier i.e. dummy or thumb?

Yes

No

Does your child have a special toy or object they might bring with them?

Yes

No

What sort of things does your child enjoy doing at home, i.e. drawing or cooking?

What other information is it important for us to know about your child? For example, what they like, or what fears they may have, or any special words they use.

Photographs

As part of the on-going recording of our curriculum and for children's individual development records, staff regularly take photographs of the children during their play. Only cameras supplied by the setting are used for this purpose, photographs taken are used for display and for your child's records within the setting. We are happy to provide duplicate photos of your child to you if requested, although this might incur a small charge to cover our costs. We may also record events and activities on video. Photos/videos are stored on the setting's computer only; we only store images during the period your child is with us. If we would like to use any image of your child for training, publicity or marketing purposes, we will always seek your written consent for each image we intend to use.

I give permission for

A child's learning difficulties and disabilities status should be recorded according to the following categories:

No special educational need

SEN action plan

Education, Health and Care Plan

Providers should refer to the SEND Code of Practice for the Early Years (2014) for an explanation of the terms above.

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to ensure the needs of all children are met.

10.5 Parental involvement

Policy statement

We believe that children benefit most from early years education and care when parents and settings work together in partnership.

Our aim is to support parents as their children's first and most important educators by involving them in their children's education and in the full life of Our setting. We also aim to support parents in their own continuing education and personal development.

Some parents are less well represented in early years settings; these include fathers, parents who live apart from their children, but who still play a part in their lives, as well as working parents. In carrying out the following procedures, We will ensure that all parents are included.

When We refer to 'parents', We mean both mothers and fathers; these include both natural or birth parents, as well as step-parents and parents who do not live with their children, but have contact with them and play a part in their lives. 'Parents' also includes same sex parents, as well as foster parents.

The Children Act (1989) defines *parental responsibility* as '*all the rights, duties, powers, responsibilities and authority which by law a parent of a child has in relation to the child and his property*'. (For a full explanation of who has parental responsibility, refer to the Pre-school Learning Alliance publication *Safeguarding Children*.)

Procedures

- Parents are made to feel welcome in Our setting; they are greeted appropriately, there is adult seating and provision for refreshment.
- We have a means to ensure all parents are included - that may mean that We have different strategies for involving fathers, or parents who work or live apart from their children.
- We make every effort to accommodate parents who have a disability or impairment.
- We consult with all parents to find out what works best for them.
- We ensure on-going dialogue with parents to improve our knowledge of the needs of their children and to support their families.
- We inform all parents about how the setting is run and its policies, through access to written information, including our *Safeguarding Children and Child Protection* policy and our responsibilities under the Prevent Duty, and through regular informal communication. We check to ensure parents understand the information that is given to them.

- Information about a child and his or her family is kept confidential within Our setting. we provide you with a privacy notice that details how and why we process your personal information. The exception to this is where there is cause to believe that a child may be suffering, or is likely to suffer, significant harm, or where there are concerns regarding child's development that need to be shared with another agency. We will seek parental permission unless there are reasons not to in order to protect the safety of the child. Reference is made to Our Information Sharing Policy on seeking consent for disclosure.
- We seek specific parental consent to administer medication, take a child for emergency treatment, take a child on an outing and take photographs for the purposes of record keeping.
- The expectations that We make on parents are made clear at the point of registration.
- We make clear Our expectation that parents will participate in settling their child at the commencement of a place according to an agreed plan.
- We seek parents' views regarding changes in the delivery of Our service.
- Parents are actively encouraged to participate in decision making processes according to the structure in place within Our setting.
- We encourage parents to become involved in the social and cultural life of the setting and actively contribute to it.
- As far as possible Our service is provided in a flexible way to meet the needs of parents without compromising the needs of children.
- We provide sufficient opportunity for parents to share necessary information with staff and this is recorded and stored to protect confidentiality.
- Our key persons meet regularly with parents to discuss their child's progress and to share concerns if they arise.
- Where applicable, Our key persons work with parents to carry out an agreed plan to support special educational needs.
- Where applicable, Our key persons work with parents to carry out any agreed tasks where a Protection Plan is in place for a child.
- We involve parents in the shared record keeping about their children - either formally or informally - and ensure parents have access to their children's written developmental records.
- We provide opportunities for parents to contribute their own skills, knowledge and interests to the activities of the setting.
- We support families to be involved in activities that promote their own learning and well-being; informing parents about relevant conferences, workshops and training.
- We consult with parents about the times of meetings to avoid excluding anyone.
- We provide information about opportunities to be involved in the setting in ways that are accessible to parents with basic skills needs, or those for whom English is an additional language; making every effort to provide an interpreter for parents who speak a language other than English and to provide translated written materials.
- We hold meetings in venues that are accessible and appropriate for all.
- We welcome the contributions of parents, in whatever form these may take.
- We inform all parents of the systems for registering queries, complaints or suggestions and We check to ensure these are understood. All parents have access to Our written complaints procedure.
- We provide opportunities for parents to learn about the curriculum offered in the setting and about young children's learning, in the setting and at home. There are opportunities for parents to take active roles in supporting their child's learning in the setting: informally through helping out or taking part in activities with their child, or through structured projects engaging parents and staff in learning about children's learning.

In compliance with the Safeguarding and Welfare Requirements, the following documentation is also in place at Our setting:

- Admissions Policy.
- Complaints procedure.
- Record of complaints.
- Developmental records of children.

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10.6 Children's records

Policy statement

We have record keeping systems in place that meet legal requirements; the means We use to store and share that information takes place within the framework of the General Data Protection Regulations (GDPR) (2018) and the Human Rights Act (1998).

This policy and procedure should be read alongside Our Privacy Notice, Confidentiality and Client Access to Records Policy and Our Information Sharing Policy.

Procedures

If a child attends another setting, We establish a regular two-way flow of appropriate information with parents and other providers. Where appropriate, We will incorporate comments from other providers, as well as parents and/or carers into the child's records.

We keep two kinds of records on children attending Our setting:

Developmental records

- These include observations of children in the setting, photographs, video clips and samples of their work and summary developmental reports.
- These are usually kept in our Tapestry database and can be accessed, and contributed to, by our staff, the child and the child's parents.

Personal records

These may include the following (as applicable):

- Personal details – including the child's registration form and any consent forms.
- Contractual matters – including a copy of the signed parent contract, the child's days and times of attendance, a record of the child's fees, any fee reminders or records of disputes about fees.
- Child's development, health and well-being – including a summary only of the child's EYFS profile report, a record of discussions about every day matters about the child's development health and well-being with the parent.

- Early Support – including any additional focussed intervention provided by Our setting (e.g. support for behaviour, language or development that needs an SEN action plan) and records of any meetings held.
- Welfare and child protection concerns – including records of all welfare and protection concerns, and Our resulting action, meetings and telephone conversations about the child, an Education, Health and Care Plan and any information regarding a Looked After Child.
- Correspondence and Reports – including a copy of the child's 2 Year Old Progress Check (as applicable), all letters and emails to and from other agencies and any confidential reports from other agencies.
- These confidential records are stored in a lockable file or cabinet, which is always locked when not in use and which our manager keeps secure in an office or other suitably safe place.
- We read any correspondence in relation to a child, note any actions and file it immediately
- We ensure that access to children's files is restricted to those authorised to see them and make entries in them, this being our manager, deputy or designated person for child protection, the child's key person, or other staff as authorised by our manager.
- We may be required to hand children's personal files to Ofsted as part of an inspection or investigation process; or to local authority staff conducting a S11 audit, as long as authorisation is seen. We ensure that children's personal files are not handed over to anyone else to look at.
- Parents have access, in accordance with Our Privacy Notice, Confidentiality and Client Access to Records Policy, to the files and records of their own children, but do not have access to information about any other child.
- Our staff will not discuss personal information given by parents with other members of staff, except where it affects planning for the child's needs. Our staff induction programme includes an awareness of the importance of confidentiality in the role of the key person.
- We retain children's records for three years after they have left the setting; except records that relate to an accident or child protection matter, which are kept until a child reaches the age of 21 years or 24 years respectively. These are kept in a secure place.

Archiving children's files

- When a child leaves Our setting, We remove all paper documents from the child's personal file and place them in a robust envelope, with the child's name and date of birth on the front and the date they left. We seal this and place it in an archive box, stored in a safe place (i.e. a locked cabinet) for three years. After three years it is destroyed.
- If data is kept electronically it is encrypted and stored as above.
- Where there were s.47 child protection investigations, We mark the envelope with a star and archive it for 25 years.
- We store financial information according to Our finance procedures.

Other records

- We keep a daily record of the names of the children we are caring for, their hours of attendance and the names of their key person.
- Students on Pre-school Learning Alliance or other recognised qualifications and training, when they are observing in the setting, are advised of Our Confidentiality and Client Access to Records Policy and are required to respect it.

Legal framework

- General Data Protection Regulations (GDPR) (2018)
- Human Rights Act (1998)

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10.7 Provider records

Policy statement

We keep records and documentation for the purpose of maintaining our business. These include:

- Records pertaining to our registration.
- Landlord/lease documents and other contractual documentation pertaining to amenities, services and goods.
- Financial records pertaining to income and expenditure.
- Risk assessments.
- Employment records of our staff including their name, home address and telephone number.
- Names, addresses and telephone numbers of anyone else who is regularly in unsupervised contact with the children.

We consider our records as confidential based on the sensitivity of information, such as with employment records. These confidential records are maintained with regard to the framework of the General Data Protection Regulations (2018), further details are given in our Privacy Notice and the Human Rights Act (1998).

This policy and procedure should be read alongside our Privacy Notice, Confidentiality and Client Access to Records Policy and Information Sharing Policy.

Procedures

- All records are the responsibility of our management team who ensure they are kept securely.
- All our records are kept in an orderly way in files and filing is kept up-to-date.
- our financial records are kept up-to-date for audit purposes.
- We maintain health and safety records; these include risk assessments, details of checks or inspections and guidance etc.
- our Ofsted registration certificate is displayed.
- our Public Liability insurance certificate is displayed.
- All our employment and staff records are kept securely and confidentially.

We notify Ofsted of any:

- change in the address of our premises;
- change to our premises which may affect the space available to us or the quality of childcare we provide;
- change to the name and address of our registered provider, or the provider's contact information
- change to the person managing our provision;
- significant event which is likely to affect our suitability to look after children; or

- other event as detailed in the *Statutory Framework for the Early Years Foundation Stage* (DfE 2017).

Legal framework

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10.8 Transfer of records to school

Policy statement

We recognise that children sometimes move to another early years setting before they go on to school, although many will leave our setting to enter a nursery or reception class.

We prepare children for these transitions and involve parents and the receiving setting or school in this process. We prepare records about a child's development and learning in the Early Years Foundation Stage in our setting; in order to enable smooth transitions, We share appropriate information with the receiving setting or school at transfer.

Confidential records are shared where there have been child protection concerns according to the process required by our Local Safeguarding Children Board.

The procedure guides this process and determines what information We can and cannot share with a receiving school or setting. Prior to transferring information, we will establish the lawful basis for doing so (see our Privacy Notice).

Procedures

Transfer of development records for a child moving to another early years setting or school

- Using the *Early Years Outcomes* (DfE 2013) guidance and our assessment of children's development and learning, the key person will prepare a summary of achievements in the seven areas of learning and development.
- The record refers to:
 - any additional language spoken by the child and his or her progress in both languages;
 - any additional needs that have been identified or addressed by our setting;
 - any special needs or disability, whether a CAF was raised in respect of special needs or disability, whether there is an Education, Health and Care Plan, and the name of the lead professional.
- The record contains a summary by the key person and a summary of the parent's view of the child.
- The document may be accompanied by other evidence, such as photos or drawings that the child has made.
- When a child transfers to a school, most local authorities provide an assessment summary format or a transition record, which We will follow as applicable.
- If there have been any welfare or protection concerns, We place a star on the front of the assessment record.

Transfer of confidential information

- The receiving school or setting will need to have a record of any safeguarding or child protection concerns that were raised in our setting and what was done about them.
- We will make a summary of the concerns to send to the receiving setting or school, along with the date of the last professional meeting or case conference. Some Local Safeguarding Children Boards will stipulate the forms to be used and provide these for us to use.
- Where a CAF has been raised in respect of any welfare concerns, We will pass the name and contact details of the lead professional on to the receiving setting or school.
- Where there has been a s47 investigation regarding a child protection concern, We will pass the name and contact details of the child's social worker on to the receiving setting or school – regardless of the outcome of the investigation.
- We post or take the information to the school or setting, ensuring it is addressed to the setting or school's designated person for child protection and marked as 'confidential'.
- We do not pass any other documentation from the child's personal file to the receiving setting or school.

Legal framework

Safeguarding and Welfare Requirement: Information and Records

Confidential information and records about staff and children must be held securely and only accessible and available to those who have a right or professional need to see them.

10.9 Confidentiality and client access to records

Policy statement

'Share with informed consent where appropriate and, where possible, respect the wishes of those who do not consent to share confidential information. You may still share information without consent if, in your judgement, there is good reason to do so, such as where safety may be at risk. You will need to base your judgement on the facts of the case.'

Information sharing: Advice for practitioners providing safeguarding services to children, young people, parents and carers (HMC 2015)

In our setting, staff and managers can be said to have a 'confidential relationship' with families. It is our intention to respect the privacy of children and their parents and carers, while ensuring that they access high quality early years care and education in our setting. We aim to ensure that all parents and carers can share their information in the confidence that it will only be used to enhance the welfare of their children. We have record keeping systems in place that meet legal requirements; the means that we use to store and share that information takes place within the framework of the General Data Protection Regulations (2018) and the Human Rights Act (1998).

Confidentiality procedures

- Most things that happen between the family, the child and the setting are confidential to our setting. In exceptional circumstances information is shared, for example with other professionals or possibly social care or the police.
- Information shared with other agencies is done in line with our Information Sharing Policy.
- We always check whether parents regard the information they share with us to be confidential or not.
- Some parents may share information about themselves with other parents as well as with our staff; We cannot be held responsible if information is shared by those parents whom the person has 'confided' in.
- Information shared between parents in a discussion or training group is usually bound by a shared agreement that the information is confidential to the group and not discussed outside of it. We are not responsible should that confidentiality be breached by participants.
- We inform parents when We need to record confidential information beyond the general personal information We keep (see our Children's Records Policy and Privacy Notice) - for example with regard to any injuries, concerns or changes in relation to the child or the family, any discussions with parents on sensitive matters, any records we are obliged to keep regarding action taken in respect of child protection and any contact and correspondence with external agencies in relation to their child.
- We keep all records securely (see our Children's Records Policy and Privacy Notice).
- Information is kept in a manual file, or electronically. Our staff may also use a computer to type reports, or letters. Where this is the case, the typed document is deleted from the PC and only the hard copy kept.

- Where it is helpful to keep an electronic copy, We download it onto a disc, labelled with the child's name and kept securely in the child's file. No documents are kept on the hard drive. This is because the settings' PC's do not have facilities for confidential user folders.
- Our staff discuss children's general progress and well being together in meetings, but more sensitive information is restricted to our manager and the child's key person, and is shared with other staff on a need to know basis.
- We do not discuss children with staff who are not involved in the child's care, nor with other parents or anyone else outside of the setting.
- our discussions with other professionals take place within a professional framework and not on an informal or ad-hoc basis.
- Where third parties share information about an individual us; our practitioners and managers check if it is confidential, both in terms of the party sharing the information and of the person whom the information concerns.

Client access to records procedures

Parents may request access to any confidential records We hold on their child and family following the procedure below:

- The parent is the 'subject' of the file in the case where a child is too young to give 'informed consent' and has a right to see information that our setting has compiled on them.
- Any request to see the child's personal file by a parent or person with parental responsibility must be made in writing to the setting leader or manager.
- We acknowledge the request in writing, informing the parent that an arrangement will be made for him/her to see the file contents, subject to third party consent.
- our written acknowledgement allows 40 working days for the file to be made ready.
- A fee may be charged for repeated requests, or where a request requires excessive administration to fulfil.
- Our manager informs their line manager and legal advice may be sought before sharing a file.
- Our manager goes through the file with their line manager and ensures that all documents have been filed correctly, that entries are in date order and that there are no missing pages. They note any information, entry or correspondence or other document which mentions a third party.
- We write to each of those individuals explaining that the subject has requested sight of the file, which contains a reference to them, stating what this is.
- They are asked to reply in writing to our manager giving or refusing consent for disclosure of that material.
- We keep copies of these letters and their replies on the child's file.
- 'Third parties' include each family member noted on the file; so where there are separate entries pertaining to each parent, step parent, grandparent etc. We write to each of them to request third party consent.
- Third parties also include workers from any other agency, including children's social care and the health authority for example. Agencies will normally refuse consent to share information, preferring instead for the parent to be redirected to those agencies for a request to see their file held by that agency.
- Members of our staff should also be written to, but We reserve the right under the legislation to override a refusal for consent or to just delete the name of the staff member and not the information. We may grant refusal if the member of staff has provided

information that could be considered 'sensitive' and the staff member may be in danger if that information is disclosed; or if that information is the basis of a police investigation. However, if the information is not sensitive, then it is not in our interest to withhold that information from a parent. In each case this should be discussed with members of staff and decisions recorded.

- When We have received all the consents/refusals our manager takes a photocopy of the complete file. On the copy of the file, our manager removes any information that a third party has refused consent for us/me to disclose and blank out any references to the third party, and any information they have added to the file, using a thick marker pen.
- The copy file is then checked by legal advisors to verify that the file has been prepared appropriately.
- What remains is the information recorded by the setting, detailing the work initiated and followed by them in relation to confidential matters. This is called the 'clean copy'.
- We photocopy the 'clean copy' again and collate it for the parent to see.
- Our manager informs the parent that the file is now ready and invites him/ her to make an appointment to view it.
- Our manager and their line manager meet with the parent to go through the file, explaining the process as well as what the content of the file records about the child and the work that has been done. Only the person(s) with parental responsibility can attend that meeting, or the parent's legal representative or interpreter.
- The parent may take a copy of the prepared file away; but, to ensure it is properly explained to and understood by the parent, We never hand it over without discussion.
- It is an offence to remove material that is controversial or to rewrite records to make them more acceptable. our recording procedures and guidelines ensure that the material reflects an accurate and non-judgemental account of the work We have done with the family.
- If a parent feels aggrieved about any entry in the file, or the resulting outcome, then We refer the parent to our complaints procedure.
- The law requires that the information We hold must be held for a legitimate reason and must be accurate (see our Privacy Notice). If a parent says that the information We hold is inaccurate, then the parent has a right to request for it to be changed. However, this only pertains to factual inaccuracies. Where the disputed entry is a matter of opinion, professional judgement, or represents a different view of the matter than that held by the parent, We retain the right not to change that entry, but We can record the parent's view of the matter. In most cases, We would have given a parent the opportunity at the time to state their side of the matter, and it would have been recorded there and then.
- If there are any controversial aspects of the content of a child's file, We must seek legal advice. This might be where there is a court case between parents, where social care or the police may be considering legal action, or where a case has already completed and an appeal process is underway.
- We never 'under-record' for fear of the parent seeing, nor do We make 'personal notes' elsewhere.

Telephone advice regarding general queries may be made to The Information Commissioner's Office Helpline 0303 123 1113.

All the undertakings above are subject to the paramount commitment of our setting, which is to the safety and well-being of the child. Please see also our policy on Safeguarding Children and Child Protection.

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10.10 Information sharing

'Sharing information is an intrinsic part of any frontline practitioners' job when working with children and young people. The decisions about how much information to share, with whom and when, can have a profound impact on individuals' lives. It could ensure that an individual receives the right services at the right time and prevent a need from becoming more acute and difficult to meet. At the other end of the spectrum it could be the difference between life and death.'

Information Sharing: Advice for practitioners providing safeguarding services to children, young people, parents and carers (HM Government 2015)

Policy statement

We recognise that parents have a right to know that the information they share with us will be regarded as confidential, as well as to be informed about the circumstances when, and the reasons why, we are obliged to share information.

We record and share information about children and their families (data subjects) in line with the six principles of the General Data Protection Regulations (GDPR) (2018) which are further explained in my Privacy Notice that is given to parents at the point of registration. The six principles state that personal data must be:

1. Processed fairly, lawfully and in a transparent manner in relation to the data subject.
2. Collected for specified, explicit and legitimate purposes and not further processed for other purposes incompatible with those purposes.
3. Adequate, relevant and limited to what is necessary in relation to the purposes for which data is processed.
4. Accurate and where necessary, kept up to date.
5. Kept in a form that permits identification of data subjects for no longer than is necessary for the purposes for which the data is processed.
6. Processed in a way that ensures appropriate security of the persona data including protection against accidental loss, destruction or damage, using appropriate technical or organisational measures

We are obliged to share confidential information without authorisation from the person who provided it, or to whom it relates, if it is in the public interest. That is when:

- it is to prevent a crime from being committed or to intervene where one may have been, or to prevent harm to a child or adult; or
- not sharing it could be worse than the outcome of having shared it.

Group provision: The responsibility for decision-making should not rely solely on an individual, but should have the back-up of the management team. The management team provide clear guidance, policy and procedures to ensure all staff and volunteers

understand their information sharing responsibilities and are able to respond in a timely, appropriate way to any safeguarding concerns.

The three critical criteria are:

- Where there is evidence that the child is suffering, or is at risk of suffering, significant harm.
- Where there is reasonable cause to believe that a child may be suffering, or is at risk of suffering, significant harm.
- To prevent significant harm arising to children and young people or adults, including the prevention, detection and prosecution of serious crime.

Procedures

Our procedure is based on the GDPR principles as listed above and the seven golden rules for sharing information in the Information sharing Advice for practitioners providing safeguarding services to children, young people, parents and carers. We also follow the guidance on information sharing from the Local Safeguarding Children Board.

1. *Remember that the General Data Protection Regulations 2018 and human rights law are not barriers to justified information sharing as per the Children Act 1989, but provide a framework to ensure that personal information about living individuals is shared appropriately.*
 - Our policy and procedures on Information Sharing provide guidance to appropriate sharing of information both within the setting, as well as with external agencies.
2. *Be open and honest with the individual (and/or their family where appropriate) from the outset about why, what, how and with whom information will, or could be shared, and seek their consent, unless it is unsafe or if I have a legal obligation to do so. A Privacy Notice is given to parents at the point of registration to explain this further.*

In our setting we ensure parents:

- Receive a copy of our Privacy Notice and information about our Information Sharing Policy when starting their child in the setting and that they sign our Registration Form to say that they understand the circumstances in which information may be shared without their consent. This will only be when it is a matter of safeguarding a child or vulnerable adult;
 - have information about our Safeguarding Children and Child Protection Policy; and
 - have information about the other circumstances when information will be shared with external agencies, for example, with regard to any special needs the child may have or transition to school.
3. *Seek advice from other practitioners if you are in any doubt about sharing the information concerned, without disclosing the identity of the individual where possible.*
 - our staff discuss concerns about a child routinely in supervision and any actions are recorded in the child's file.
 - Our manager routinely seeks advice and support from their line manager about possible significant harm.

- Our Safeguarding Children and Child Protection Policy sets out the duty of all members of our staff to refer concerns to our manager or deputy, as designated person, who will contact children's social care for advice where they have doubts or are unsure.
 - Our managers seek advice if they need to share information without consent to disclose.
4. Share with informed consent where appropriate and, where possible, respect the wishes of those who do not consent to share confidential information. You may still share information without consent if, in your judgement, there is good reason to do so, such as where safety may be at risk. You will need to base your judgement on the facts of the case. When you are sharing or requesting personal information from someone, be certain of the basis upon which you are doing so. Where you have consent, be mindful that an individual might not expect information to be shared.
- We base decisions to share information without consent on judgements about the facts of the case and whether there is a legal obligation.
 - our guidelines for consent are part of this procedure.
 - Our manager is conversant with this and he is able to advise staff accordingly.
5. Consider safety and well-being: Base your information sharing decisions on considerations of the safety and well-being of the individual and others who may be affected by their actions.

In our setting We:

- record concerns and discuss these with our designated person and/or designated officer from the management team for child protection matters;
 - record decisions made and the reasons why information will be shared and to whom; and
 - follow the procedures for reporting concerns and record keeping as set out in our Safeguarding Children and Child Protection Policy.
6. Necessary, proportionate, relevant, adequate, accurate, timely and secure: Ensure that the information you share is necessary for the purpose for which you are sharing it, is shared only with those individuals who need to have it, is accurate and up-to-date, is shared in a timely fashion, and is shared securely.
- our Safeguarding Children and Child Protection Policy and Children's Records Policy set out how and where information should be recorded and what information should be shared with another agency when making a referral.
7. Keep a record of your decision and the reasons for it – whether it is to share information or not. If you decide to share, then record what you have shared, with whom and for what purpose.
- Where information is shared, We record the reasons for doing so in the child's file; where it is decided that information is not to be shared that is recorded too.

When parents choose our setting for their child, they will share information about themselves and their families. This information is regarded as confidential. Parents have a right to be informed that We will seek their consent to share information in most cases, as well as the kinds of circumstances when We may not seek their consent, or may override their refusal to give consent. We inform them as follows:

- our policies and procedures set out our responsibility regarding gaining consent to share information and when it may not be sought or overridden.
- We may cover this verbally when the child starts or include this in our prospectus.
- Parents sign our Registration Form at registration to confirm that they understand this.
- We ask parents to give written consent to share information about any additional needs their child may have, or to pass on child development summaries to the next provider/school.
- We give parents copies of the forms they sign.
- We consider the following questions when We assess the need to share:
 - Is there a legitimate purpose to us sharing the information?
 - Does the information enable the person to be identified?
 - Is the information confidential?
 - If the information is confidential, do We have consent to share?
 - Is there a statutory duty or court order requiring us to share the information?
 - If consent is refused, or there are good reasons for us not to seek consent, is there sufficient public interest for us to share information?
 - If the decision is to share, are we/ sharing the right information in the right way?
 - Have We properly recorded our decision?
- Consent must be freely given and *informed* - that is the person giving consent needs to understand why information will be shared, what will be shared, who will see information, the purpose of sharing it and the implications for them of sharing that information as detailed in the Privacy Notice.
- Consent may be *explicit*, verbally but preferably in writing, or *implicit*, implied if the context is such that sharing information is an intrinsic part of our service or it has been explained and agreed at the outset.
- Consent can be withdrawn at any time.
- We explain our Information Sharing Policy to parents.

Separated parents

- Consent to share need only be sought from one parent. Where parents are separated, this would normally be the parent with whom the child resides. Where there is a dispute, We will consider this carefully.
- Where the child is looked after, We may also need to consult the Local Authority, as 'corporate parent' before information is shared.

All the undertakings above are subject to our paramount commitment, which is to the safety and well-being of the child. Please also see our Safeguarding Children and Child Protection Policy.

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10.11 Working in partnership with other agencies

Policy statement

We work in partnership with local and national agencies to promote the well-being of all children. We will never share your data with any organisation to use for their own purposes.

Procedures

- We work in partnership, or in tandem, with local and national agencies to promote the well-being of children.
- We have procedures in place for the sharing of information about children and families with other agencies. These are set out in our Privacy Notice, Information Sharing Policy, Safeguarding Children and Child Protection Policy and the Supporting Children with Special Educational Needs Policy.
- Information shared by other agencies with us is regarded as third party information. This is also kept in confidence and not shared without consent from that agency.
- When working in partnership with staff from other agencies, we make those individuals welcome in our setting and respect their professional roles.
- We follow the protocols for working with agencies, for example on child protection.
- We ensure that staff from other agencies do not have unsupervised access to the child they are visiting in the setting and do not have access to any other child(ren) during their visit.
- Our staff do not casually share information or seek informal advice about any named child/family.
- When necessary, we consult with and signpost to local and national agencies who offer a wealth of advice and information that help us to develop our understanding of the issues facing us and who can provide support and information for parents. For example, ethnic/cultural organisations, drug/alcohol agencies, welfare rights advisors or organisations promoting childcare and education, or adult education.

Safeguarding and Welfare Requirement: Information and Records

Providers must put in place a written procedure for dealing with concerns and complaints from parents and/or carers, and must keep a written record of any complaints, and their outcome.

10.1.2 Making a complaint

Policy statement

We believe that children and parents are entitled to expect courtesy and prompt, careful attention to their needs and wishes. we welcome suggestions on how to improve our setting and will give prompt and serious attention to any concerns about the running of the setting. We anticipate that most concerns will be resolved quickly, by an informal approach with the appropriate member of staff. If this does not achieve the desired result, we have a set of procedures for dealing with concerns. we aim to bring all concerns about the running of our setting to a satisfactory conclusion for all of the parties involved.

Procedures

All settings are required to keep a written record of any complaints that reach stage two and above, and their outcome. This is to be made available to parents, as well as to Ofsted inspectors on request. A full procedure is set out in the Pre-school Learning Alliance publication Complaint Investigation Record (2012) which acts as the 'summary log' for this purpose.

Making a complaint

Stage 1

- Any parent who has a concern about an aspect of our setting's provision talks over his/her concerns with our manager first of all.
- Most complaints should be resolved amicably and informally at this stage.
- we record the issue, and how it was resolved, in the child's file.

Stage 2

- If this does not have a satisfactory outcome, or if the problem recurs, the parent moves to this stage of the procedure by putting the concerns or complaint in writing.
- For parents who are not comfortable with making written complaints, there is a template form for recording complaints in the Complaint Investigation Record; the form may be completed [our manager/me] and signed by the parent.
- our setting stores all information relating to written complaints from parents in the child's personal file. However, if the complaint involves a detailed investigation, our manager may wish to store all information relating to the investigation in a separate file designated for this complaint.
- When the investigation into the complaint is completed, [our manager meets/l meet] with the parent to discuss the outcome.

- we inform parents of the outcome of the investigation within 28 days of him/her making the complaint.
- When the complaint is resolved at this stage, we log the summative points in our Complaint Investigation Record, which is made available to Ofsted on request.

Stage 3

- If the parent is not satisfied with the outcome of the investigation, he or she requests a meeting with our manager and the chair, director or owner. The parent may have a friend or partner present if they prefer and our manager should have the support of the management team.
- An agreed written record of the discussion is made, as well as any decision or action to take as a result. All of the parties present at the meeting sign the record and receive a copy of it.
- This signed record signifies that the procedure has concluded. When the complaint is resolved at this stage, we log the summative points in our Complaint Investigation Record.

Stage 4

- If at the stage three meeting the parent cannot reach agreement with [us/me], we invite an external mediator to help to settle the complaint. This person should be acceptable to both parties, listen to both sides and offer advice. A mediator has no legal powers, but can help us to define the problem, review the action so far and suggest further ways in which it might be resolved.
- Staff or volunteers within the Pre-school Learning Alliance are appropriate persons to be invited to act as mediators.
- The mediator keeps all discussions confidential. S/he can hold separate meetings with our staff and the parent, if this is decided to be helpful. The mediator keeps an agreed written record of any meetings that are held and of any advice s/he gives.

Stage 5

- When the mediator has concluded her/his investigations, a final meeting between the parent and [our manager and chair, director or owner/myself] is held. The purpose of this meeting is to reach a decision on the action to be taken to deal with the complaint. The mediator's advice is used to reach this conclusion. The mediator is present at the meeting if all parties think this will help a decision to be reached.
- A record of this meeting, including the decision on the action to be taken, is made. Everyone present at the meeting signs the record and receives a copy of it. This signed record signifies that the procedure has concluded.

The role of the Office for Standards in Education, Children's Services and Skills (Ofsted), the Local Safeguarding Children Board and the Information Commissioner's Office

- Parents may approach Ofsted directly at any stage of this complaints procedure. In addition, where there seems to be a possible breach of the setting's registration requirements, it is essential to involve Ofsted as the registering and inspection body with a duty to ensure the Safeguarding and Welfare Requirements of the Early Years Foundation Stage are adhered to.
- Parents can complain to Ofsted by telephone or writing to:

Ofsted National Business Unit, Piccadilly Gate, Store Street, Manchester M1 2WD

Tel: 0300 123 1231

- These details are displayed on [our setting's/my] notice board.
- If a child appears to be at risk, we follow the procedures of the Local Safeguarding Children Board.
- In these cases, both the parent and [our setting are/l am] informed and [our manager/l] work with Ofsted or the Local Safeguarding Children Board to ensure a proper investigation of the complaint, followed by appropriate action.
- The Information Commissioner's Office (ICO) can be contacted if you have made a complaint about the way your data is being handled and remain dissatisfied after raising your concern with us. For further information about how we handle your data, please refer to the Privacy Notice given to you when you registered your child at our setting. The ICO can be contacted at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or ico.org.uk

Records

- A record of complaints in relation to our setting, or the children or the adults working in our setting, is kept for at least three years; including the date, the circumstances of the complaint and how the complaint was managed.
- The outcome of all complaints is recorded in our Complaint Investigation Record, which is available for parents and Ofsted inspectors to view on request.

10.13 Childcare terms and conditions

Children of the Forest Terms and Conditions

The document and the terms and conditions within it govern the basis on which Children of the Forest (referred to here as 'we') agree to provide childcare services to parent(s)/guardian(s) (referred to as 'you').

Only a parent/guardian with parental responsibility for a child can register that child for a childcare place with us. We will ask to see your child's birth certificate, or other relevant documentation, to confirm that you have parental responsibility for the child as part of our registration process.

Terms and conditions

1.0 Our obligation to you

- 1.1 We will inform you as soon as possible whether your application for a place has been successful. You must confirm within one week of receiving notification that you still wish to take up a place. If you do not, then the offer of a place may be withdrawn. Once you have confirmed the place, a deposit payment will be required to hold the place for your child. The monetary value of the deposit will be published as part of our schedule of fees which can be obtained on request. [The deposit will be returned upon payment of the final invoice at the end of your child's attendance at our provision/The deposit will be taken off the amount of the final invoice at the end of your child's attendance].
- 1.2 We will provide the agreed childcare facilities for your child at the agreed times (subject to any days when [we are/l am] closed). If we change the opening hours, we will give you as much notice of our decision as possible and, if necessary, will work with you to agree a change to your child's hours of attendance.

- 1.3 We will adhere to the principles of the General Data Protection Regulations (2018) when collecting and processing information about you and your child. We explain how your data is processed, collected, kept up-to-date in our Privacy Notice which is given to you at the point of registration.
- 1.4 We will try to accommodate any requests you may make for additional sessions and/or extended hours of childcare.
- 1.5 We will notify you as soon as possible of any days We will be closed.
- 1.6 We will treat your child with the utmost respect and dignity. We will never use or threaten any type of punishment that could adversely affect a child's wellbeing.
- 1.7 We will provide you with regular verbal updates as to your child's progress and We will agree times to discuss with you the progress of your child or any other aspects of our childcare services as and when required.
- 1.8 We will comply with the requirements of the Early Years Foundation Stage and our Ofsted registration regarding the childcare services We provide for your child.
- 1.9 We will provide you with details of our policies and procedures, which outline how We satisfy the requirements of the EYFS in our everyday practice; and We will notify you as and when any changes are made to our policies and procedures. We will be available to discuss or explain our policies and procedures, and/or any relevant changes, at a mutually agreed time.
- 1.10 We will maintain appropriate insurance to cover our childcare activities.
- 1.11 We will try to make a place available to any of your other children. However, we cannot guarantee that a place will be available.

2.0 Your obligation to us

- 2.1 You will need to complete and return our *Application to Join and Registration Form* to us before your child can start with us.
- 2.2 You must notify us immediately of any changes to the information you have provided to us and keep us informed of any other necessary information that may affect the childcare that We provide for your child.
- 2.3 The *Registration Form* includes medicine consent and emergency treatment authorisations which you will need to complete prior to your child attending.
- 2.4 You will read and abide by our policies and procedures.
- 2.5 You will make yourself available as and when required to discuss the progress of your child or any factor relating to their childcare place with us at mutually agreed times.
- 2.6 You must immediately inform us if your child is suffering from any contagious disease, or if your child has been diagnosed by a medical practitioner with a notifiable disease. For the benefit of other children attending you must not allow your child to attend whilst they are contagious and pose a risk to other children during normal daily activities.
- 2.7 You must keep us informed of the identity of the persons who will be collecting your child. If the person who is due to collect your child is not usually responsible for collecting them We will require proof of identity. If [we are/l am] not reasonably satisfied that the person collecting your child is who [we were/l was] expecting, we will not release your child into their care until We have checked with you.
- 2.8 You must inform us immediately if you are not able to collect your child by the official collection time. You must make arrangements for another authorised person to collect your child as soon as possible. A late payment charge will be applied; please refer to the current fee schedule for details.
- 2.9 You will inform us as far in advance as possible of any dates on which your child will not be attending.

2.10 You will provide us with at least one month's notice of your intention to decrease the number of hours your child attends or to withdraw your child (and end this Agreement). If insufficient notice is given you will be responsible for the full fees for your child for one month from the date of notice. If you are ending this Agreement, notice must be given by completing our *Notification of Leaving Date* form which is available on request.

2.11 You must inform us if your child is the subject of a court order and provide us with a copy of such order on request.

3.0 Payment of fees

- 3.1 our fees are based on a [weekly] fee that shall be notified to you in advance of your child starting ('[Weekly] Fee'). We may review these fees at any time but shall inform you of the revised amount at least [one month] before it takes effect. If you do not wish to pay the revised fee, you may end this Agreement by giving us [one month's] notice, by completing our *Notification of Leaving Date* form which can be obtained from [our setting manager/me].
- 3.2 Fees must be paid on a monthly basis, in advance. We calculate the amount payable by you each month by multiplying the [Weekly] Fee by the number of weeks [we are/l am] open during the year and dividing the total number by 12. This will give 12 equal monthly payments. Fees apply 12 months of the year. Fees may be paid weekly, in advance, by special arrangement.
- 3.3 All payments made under the Agreement should be by standing order (or direct debit where the facility is available) unless payment by cash, cheque or debit/credit card is agreed with us in advance. All payment, regardless of method, shall be made by you monthly, in advance on the first day of each month (the due date). If payment is made by cash or debit/credit card, it is your responsibility to obtain a receipt as proof of payment. Late payments incur a late payment fee of £[insert reasonable fee]. [In addition, daily interest will be charged on all outstanding amounts at the rate of [3%] above the Bank of England base rate.]
- 3.4 If the payment of fees referred to in 3.3 is outstanding for more than 14 days, then We may terminate this Agreement by giving you 14 days' notice in writing. Upon termination of this contract the child shall cease forthwith to be admitted, and the notice to so terminate shall be regarded as a formal demand for outstanding monies.
- 3.5 If you have requested additional sessions or have been unable to collect your child by the official collection time and We have as a result provided you with additional childcare facilities, we will raise the applicable charges under a separate invoice for payment.
- 3.6 No refund will be given for periods where the place is unfulfilled due to illness or holidays on the part of either party. [We are/l am] closed on bank holidays and for [insert reasonable and agreed number] training days per year to support our continuing professional development for the benefit of children and families; no refund is given for this closure as this has already been taken into account when calculating your child's fees. We accept no liability for other costs which you incur if We are unable to provide childcare for any reason.
- 3.7 Where We offer a reduced fee rate after a child's birthday, that reduction will take effect from the first day of the following billing period.
- 3.8 In the event of late collection of your child, we reserve the right to charge for each additional 15 minutes, or part thereof, on a pro-rata basis.

4.0 Suspension of a child

- 4.1 We may suspend the provision of childcare to your child at any time if you have failed to pay any fees due.
- 4.2 If the period of suspension for non-payment of fees exceeds one month, either of us may terminate this Agreement by giving written notice, which will take effect on receipt of the notice.
- 4.3 We do not support the exclusion of any child on the grounds of behaviour. However, if your child's behaviour is deemed by us to endanger the safety and well-being of your child and/or other children and adults, it may be necessary to suspend the provision of childcare whilst We try to address these issues with you and external agencies as appropriate.
- 4.4 During any period of suspension for behaviour-related issues We will work with the local authority and where appropriate other welfare agencies to identify appropriate provision or services for your child.
- 4.5 If your child is suspended part way through the month, under the conditions stated in clause 4.3 We shall give you a credit for any fees you have already paid for the remaining part of that month, calculated on a pro rata basis. This sum may be offset against any sums payable by you to us.

5.0 Termination of the Agreement

- 5.1 You may end this Agreement at any time, giving us at least one month's notice by completing the 'Notification of Leaving Date' form.
- 5.2 We may immediately end this Agreement if:
 - 5.2.1 You have failed to pay your fees;
 - 5.2.2 You have breached any of your obligations under this Agreement and you have not or cannot put right that breach within a reasonable period of time after We] have drawn it to your attention;
 - 5.2.3 You behave unacceptably, as We do not tolerate any physical or verbal abuse or threats towards [staff/myself or my staff];
 - 5.2.4 We take the decision to close. We will give you as much notice as possible in the event of such a decision.
- 5.3 It may become apparent that the support [we are/l am] able to offer your child is not sufficient to meet his/her needs. In these circumstances We will work with you, the local authority and other welfare agencies as per our procedures to identify appropriate support, at which point We may end this Agreement.
- 5.4 You may end this Agreement if We have breached any of our obligations under this Agreement and We have not or cannot put right that breach within a reasonable period after you have drawn it to our attention.

6.0 General

- 6.1 If We must close or We take the decision to close due to events or circumstances beyond our control (e.g. extreme weather conditions) the [Hourly/Weekly] Fee will continue to be payable in full and We shall be under no obligation to provide alternative childcare to you. If the closure exceeds three consecutive days in duration (excluding any days when We would otherwise have been closed), We will credit you with an amount that represents the number of days closed more than three days.
- 6.2 If you have any concerns regarding the services We provide, please discuss them with [your child's key person/me]. [If these concerns are not resolved to your satisfaction, please contact the manager]. Customer satisfaction is paramount, and any concerns/complaints will be dealt with in line with our *Making a Complaint Policy*.
- 6.3 From time to time We will take photographs and video recordings of the children who attend. These photographs are used for on-going recording of our curriculum and for children's individual development records. They are stored on your computer

whilst your child is with us. The photographs are used for display and for your child's records within the setting. If We wished to use any image of your child for training, publicity or marketing purposes, we would always seek your written consent for each image We intend to use, as indicated on our *Registration Form*.

- 6.4 We reserve the right to refuse to admit your child if they have a temperature, sickness and diarrhoea or a contagious infection or disease on arrival at our setting, or to ask you to collect your child if they become unwell whilst in our care, in line with our *Managing Children who are Sick, Infectious or with Allergies Policy*.
- 6.5 Whilst food and drink are provided on the premises, [we are/l am] not a commercial kitchen and may not be able to cater for the individual needs of every child. As cross contamination cannot be ruled out, a risk assessment is conducted for children with any known allergies. It is our usual practice to provide both a meat and vegetarian option. Every effort is made to follow recommended food preparation guidance and to ensure that [all staff involved in the preparation and serving of food are suitably trained/l am suitably trained in the preparation and serving of food].
- 6.6 Any personal information you supply to us will be collected, stored and used in accordance with the principles of the General Data Protection Regulations (GDPR) (2018) and our *Confidentiality and Client Access to Records Policy*. We will always seek your consent where We need to share information about your child with any other professional or agency. [We are/l am] required by law to override your refusal to give consent only in specific circumstances where the child or someone in the family may be in danger if We do not share that information.
- 6.7 [On occasion, I may leave your child in the sole care of one of my childminding assistants. This will only ever be for short periods of up to two hours where permission from parents has been obtained.]

7.0 This Agreement

- 7.1 We reserve the right to vary the terms and conditions contained in this Agreement
- 7.2 This Agreement contains the full and complete understanding between the parties and supersedes all prior arrangements and understanding whether written or oral regarding this Agreement except to the extent that We vary terms from time to time.
- 7.3 Acceptance of a place will be deemed as acceptance by you of these terms and conditions.

Acceptance of our offer of a childcare place

Please sign below to indicate that you have read and understood the above terms and conditions and to confirm your acceptable of a childcare place with us for your child.

For parent(s)/guardian(s) under the age of 18, a guarantor aged over 18, must also sign the contract on your behalf. The contract would therefore be between [name of provider], you and the guarantor.

A copy of this completed and signed contract will be provided to each signatory.

Cleaning and Maintenance Policy – including safe working practises when cleaning and carrying out maintenance.

Aims and objectives

This policy is designed to manage the cleaning and maintenance of the Children of the Forest site. It should be used in coordination with the Children of the Forest's Health and Safety Policy and Risk Assessment.

Maintenance

The maintenance of the site is the responsibility of the Directors and all maintenance tasks must be agreed by them. **Lewis Ames** is designated Maintenance officer for the site.

Maintenance tasks are written into a Maintenance Book, found in the cabin that details the task or issue. In addition an email should be sent to childrenoftheforest@outlook.com or a comment made on the company staff FB page. This email group includes the Directors and a decision will be made on how to proceed. If there is a risk involved, a risk assessment should be made by the person assigned the task and the directors will decide if the task can be done immediately, or needs to contracted out.

All equipment used to maintain the site, such as ladders, electrical drills and other tools should be checked prior to use and regularly maintained according to predefined maintenance routines stated in the Risk Assessment.

The feet of ladders should be checked prior to use and ladders only used after assessing whether it is appropriate and following all guidelines set out in the HSE booklet on the safe use of ladders kept in the Health and Safety Folder.

Risk assessment and procedure for cleaning the cabin

The risk in the school is low. Wear gloves and check the labels of all the cleaning products for safety advice. If cleaning chemicals recommend that eye protection should be worn, then this must be done. Dilute products as directed.

Do not work at height on your own and only do so if you have assessed the need to use a ladder, and have properly planned what you are going to do. Ladders should not be used unless they are secured as directed in the regulations. The footing of a ladder must be only done if tying cannot be done. The correct use of ladders is detailed in a HSE booklet kept in the Health and Safety Folder and a written assessment should be made if a ladder is used at height, and kept in the Health and Safety Folder.

If cleaning equipment or chemicals are brought into the school then equipment should be visually checked before use and only used as directed by the manufacturer and chemicals only used as directed on the label. Do not use chemicals to clean anything that they are not designed to clean.

Cleaning procedure; including advice on minimising the risk of spreading infection and proper disposal of waste.

Staff to date and initial the Cleaning Schedule and Record found in the cabin.

Jobs to be done daily:

1. Check the toilets for supplies of toilet tissue, soap and paper towels. Fill paper towel dispensers if necessary.
2. Clean toilet seat and surround with disinfectant.

Jobs to be done weekly:

1. Sweep cabin floor.
2. Remove standing water from buckets, mud kitchen etc

Jobs to be done half termly:

1. Clean the shelves and boxes which store food and cooking equipment, using cloths and cleaning spray.
2. Clean and sterilise water containers.
3. Clean mud kitchen.

Jobs to be done 'as and when needed':

1. Empty composting toilet in correct area when full

2. Bin should be emptied when full and disposed of off-site.

Policy adopted by: Children of the Forest Ltd

on: 15/4/2018

to be reviewed on: 15/4/2019

Signed: Gemma Southerden & Lewis Ames

Role: Directors

Children of the Forest

Safeguarding and Child Protection Policy

Purpose and Aims

The purpose of *Children of the Forest's* safeguarding and child protection policy is to provide a secure framework for the workforce in safeguarding and promoting the welfare of those children/young people who attend our setting. The policy aims to ensure that:

- All our children are safe and protected from harm.
- Other elements of provision and policies are in place to enable children to feel safe and adopt safe practices;
- Staff, children, **proprietors**, visitors, volunteers and parents are aware of the expected behaviours' and the settings legal responsibilities in relation to the safeguarding and promoting the welfare of all of our children.

Ethos

'Every child deserves the best possible start in life and the support that enables them to fulfil their potential. A secure, safe and happy childhood is important in its own right.' Statutory Framework for the Early Years Foundation Stage (EYFS)

Safeguarding in *Children of the Forest* is considered everyone's responsibility and our setting aims to create the safest environment within which every child has the opportunity to achieve their full potential. *Children of the Forest* recognises the contribution it can make in ensuring that all children registered or who use our setting feel that they will be listened to and appropriate action taken. We will do this by working in partnership with other agencies and seeking to establish effective working relationships with parents, carers and other colleagues to develop and provide activities and opportunities that will help to equip our children with the skills they need. This will include materials and learning experiences that will encourage our children to develop essential life skills and protective behaviours.

This policy has been developed in accordance with the principles established by the Children Act 1989; and in line with the following:

- "Working Together to Safeguard Children 2015"¹
- "What to do if you are worried a Child is being Abused" 2015²
- "Keeping Children Safe in Education" 2016³
- "The Prevent Duty" 2015⁴
- "Information Sharing: Advice for practitioners providing safeguarding services to children, young people, parents and carers" 2015⁵

Responsibilities and expectations

The management committee/proprietor takes seriously its responsibility under section 11 of the Children Act and duties under "working together" to safeguard and promote the welfare of children; to work together with other

agencies to ensure adequate arrangements exist within our setting to identify, and support those children who are suffering harm or are likely to suffer significant harm. We recognise that all staff and management have a full and active part to play in protecting our children from harm, and that the child's welfare is our paramount concern.

The **proprietors** should also ensure the following:-

- that the safeguarding and child protection policy is made available to parents and carers.
- that all staff and volunteers are properly checked to make sure they are safe to work with the children who attend our setting.
- that the setting has procedures for handling allegations of abuse made against members of staff (including the Playleader/Manager) or volunteers.
- the safe and appropriate use of cameras, mobile phones, technology and on line equipment within the setting.
- the Counter Terrorism and Security Act 2015 which places a duty on early years and childcare providers "to have due regard to the need to prevent people from being drawn into terrorism" (The Prevent Duty) is implemented, taking into account the Local Safeguarding Children's Board 'Prevent' policies, protocols and procedures and ensuring the Fundamental British Values are implemented as stated in the EYFS.
- a Safeguarding Designated Officer (SDO) is appointed who has lead responsibility for dealing with all safeguarding issues in our setting.
 - The **Safeguarding Designated Officer** is **Lewis Ames**. If they are not available then contact
 - The **Deputy Safeguarding Designated officer Gemma Southerden**. (*These person/s can also be contacted with any safeguarding concerns*).
- Our procedures will be annually reviewed and up-dated.

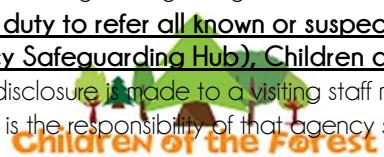

The responsibilities for the Safeguarding Designated Officer (SDO) are:-

- to ensure that all safeguarding issues raised in setting are effectively responded to, recorded and referred to the appropriate agency.
- All adults, (including volunteers) new to our setting will be made aware of this policy and the procedures for child protection, the name and contact details of the Safeguarding Designated Person and have these explained, as part of their induction into the setting.
- Be responsible for arranging the settings safeguarding training for all staff and volunteers who work with the children and young people. The SDO must ensure that the safeguarding training takes place at least every three years for all; which they can deliver in-house provided they are linked in to the support and quality assurance process offered by the Local Authority and the Local Safeguarding Children's Board.
- to attend or ensure that a senior member of staff who has the relevant training and access to appropriate supervision, attends where appropriate, all child protection case conferences, reviews, core groups or meetings where it concerns a child in our care and to contribute to multi-agency discussions to safeguard and promote the child's welfare.
- for ensuring the acceptable, safe use and storage of all camera technology, images, and mobile phones through the implementation, monitoring and reviewing of the appropriate polices and procedures. This includes the on-line Safety Policy which includes Camera & Image Policy, Mobile Phone Policy, Acceptable Use Policy.
- Implementing and promoting the Fundamental British Values.

All Child Protection concerns need to be acted on **immediately**. If you are concerned that a child may be at risk or is actually suffering abuse, you must tell the Safeguarding Designated Officer.

All Adults, including the SDO, have a duty to refer all known or suspected cases of abuse to the relevant agency including MASH (Multi Agency Safeguarding Hub), Children and Young Peoples Service (CYPS) – Social Care, or the Police. Where a disclosure is made to a visiting staff member from a different agency, e.g.

Early Years Consultants, Health Visitors, it is the responsibility of that agency staff to formally report the referral to the

Setting's Safeguarding Designated Officer in the first instance and to follow their organisations procedures. Any records made should be kept securely on the Child's Protection file.

Recognising concerns, signs and indicators of abuse

Safeguarding is not just about protecting children from deliberate harm. For our setting it includes such things as child safety, bullying, racist abuse and harassment, visits, intimate care and internet safety etc. However it must be acknowledged that technology itself will not present the greatest risk, but the behaviours of individuals using such equipment will. The witnessing of abuse can have a damaging affect on those who are party to it, as well as the child/adult subjected to the actual abuse, and in itself will have a significant impact on the health and emotional well-being of the child

The table below outlines the four main categories of abuse as defined by the Department of Health 'Working Together to Safeguard Children' document 2010. Staff should be aware that the possible indicators are not definitive and that some children may present these behaviours for reasons other than abuse. However, it is important to know the indicators of abuse and to be alert to the need to consult further.

Type of Abuse	Possible Indicators
Neglect The persistent failure to meet a child's basic physical and psychological needs, likely to result in the serious impairments of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide food, clothing and shelter; protect a child from physical and emotional harm or danger; ensure adequate supervision; ensure access to appropriate medical care or treatment.	Obvious signs of lack of care including: Problems with personal hygiene; Constant hunger; Inadequate clothing; Emaciation; Lateness or non-attendance at the setting; Poor relationship with peers; Untreated medical problems; Compulsive stealing and scavenging; Rocking, hair twisting, thumb sucking; Running away; Low self-esteem.
Physical Abuse May involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child	Physical signs that do not tally with the given account of occurrence conflicting or unrealistic explanations of cause repeated injuries delay in reporting or seeking medical advice.
Sexual Abuse Forcing or enticing a child to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, penetrative or non-penetrative acts and also includes involving children in watching pornographic material or watching sexual acts.	Sudden changes in behaviour Displays of affection which are sexual and age inappropriate Tendency to cling or need constant reassurance Tendency to cry easily Regression to younger behaviour - e.g. thumb sucking, acting like a baby Unexplained gifts or money Depression and withdrawal Wetting/soiling day or night Fear of undressing for PE

Emotional Abuse The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person.	Rejection Isolation child being blamed for actions of adults child being used as carer for younger siblings affection and basic emotional care giving/warmth, persistently absent or withheld.

Prevent

The Counter Terrorism & Security Act 2015

The Act places a Prevent duty on settings to have “due regard to the need to prevent people from being drawn into terrorism”.

Settings subject to the Prevent Duty will be expected to demonstrate activity in the following areas

- Assessing the risk of children being drawn into terrorism
- Demonstrate that they are protecting children and young people from being drawn into terrorism by having robust safeguarding policies.
- Ensure that their safeguarding arrangements take into account the policies and procedures of the Local Safeguarding Children Board.
- Make sure that staff have training that gives them the knowledge and confidence to identify children at risk of being drawn into terrorism, and to challenge extremist ideas which can be used to legitimise terrorism
- Expected to ensure children are safe from terrorist and extremist material when accessing the internet in the setting

What to do if you are concerned

If a child makes an disclosure or allegation of abuse against an adult or other child or young person, it is important that you:

- Stay calm and listen carefully.
- Reassure them that they have done the right thing in telling you.
- Do not investigate or ask leading questions.
- Let them know that you will need to tell someone else.
- Do not promise to keep what they have told you a secret.
- Inform your Safeguarding Designated Officer as soon as possible.
- Make a written record of the allegation, disclosure or incident which you must sign, date and record your position using the setting safeguarding record log forms.

If you are concerned that a member of staff or adult in a position of trust poses a danger to a child or young person or that they might be abusing a child or young person you should report your concerns to the Safeguarding Designated Officer. Where those concerns relate to the Safeguarding Designated Officer however, this should be reported to the **Proprietor** using the setting's 'Whistle blowing' policy.

Whistleblowing

We recognise that children cannot be expected to raise concerns in an environment where staff fail to do so. All staff should be aware of their duty to raise concerns about the attitude or actions of colleagues and appropriate advice will be sought from the LADO or Safeguarding Team where necessary.

Managing Allegations

We are aware of the possibility of allegations being made against members of staff or volunteers that are working or may come into contact with children and young people whilst in our setting. Allegations will usually be that some kind of abuse has taken place. This could include inappropriate behaviour displayed by members of staff or other persons working with the children such as inappropriate sexual comments, excessive one to one attention beyond

the requirements their role and responsibilities, inappropriate sharing or images. They can be made by children and young people or other concerned adults. Allegations are made for a variety of reasons:

- Abuse has actually taken place.
- Something has happened to the child that reminds them of a past event – the child is unable to recognize that the situation and people are different; Children can misinterpret your language or your actions.
- Some children recognise that allegations can be powerful and if they are angry with you about something they can make an allegation as a way of hitting out.
- An allegation can be a way of seeking attention.

If an allegation is made against an adult in a position of trust whether they be members of staff or volunteers this should be brought to the immediate attention of the SDO who will advise the **Director**. In the case of the allegation being made against the SDO this will be brought to the immediate attention of the **other Director/s**. The SDO/**Director** will need to discuss with the Local Authority Designated Officer (LADO) the nature of the allegations made against the adult, in order for the appropriate action to be taken. This may constitute an initial evaluation meeting or strategy discussion depending on the allegation being made.

Directors will need to:

- Refer to the Local Authority Designated Officer (LADO) immediately and follow up in writing within 48 hours. Consider safeguarding arrangements of the child or young person to ensure they are away from the alleged abuser.
- Contact the parents or carers of the child/young person if advised to do so by the LADO.
- Consider the rights of the staff member for a fair and equal process of investigation.
- Advise Ofsted of allegation within 14 days of the allegation
- Ensure that the appropriate disciplinary procedures are followed including whether suspending a member of staff from work until the outcome of any investigation if this is deemed necessary.
- Act on any decision made in any strategy meeting.
- Advise the Disclosure and Barring Service where a member of staff has been disciplined or dismissed as a result of the allegations being founded.

A copy of "**What to do if you're worried a child is being abused, Advice for Practitioners**" booklet is kept with this policy. This sets out the guidelines on dealing with incidents, disclosures and the procedures that must be followed.

Confidentiality

- We recognise that all matters relating to child protection are confidential.
- The SDO will disclose personal information about a child or young person to other members of staff on a need to know basis only.
- However, all staff must be aware that they have a professional responsibility to share information with other agencies in order to safeguard children.
- All staff must be aware that they cannot promise a child to keep secrets which might compromise the child's safety or well-being or that of another.
- We will always undertake to share our intention to refer a child to Social Care with their parents /carers unless to do so could put the child at greater risk of harm, or impede a criminal investigation. If in doubt, we will consult with the Safeguarding Team or Social Care on this point.
- We will take no names consultations with our MASH team to discuss concerns we may have, but we understand that if they then ask for a name we will disclose those details and it will become an enquiry.

Training

All members of staff and volunteers will have access to safeguarding training at least every three years in line with Devon Safeguarding Children's Board (DSCB). We will also as

part of our induction, issue information in relation to our Safeguarding policy and any policy related to safeguarding and promoting our children/young people's welfare to all newly appointed staff and volunteers.

Our Safeguarding Designated Officer will undertake further safeguarding training, Group 3 DSCB Multi-agency Safeguarding course or Group 3 Refresher Courses. This will be undertaken at least every three years which updates their awareness and understanding of the impact of the wide agenda of safeguarding issues. This will support both the SDO to be able to better undertake their role and support the setting in ensuring our safeguarding arrangements are robust and achieving better outcomes for the children in our setting. This includes taking part in multi-agency training in addition to safeguarding training.

Our **Directors** will have access to safeguarding training and our Named **designated Officer** for Safeguarding will also undertake additional awareness training at least every three years. They will also be advised to undertake additional training to support their employers' role in Handling Allegations against adults who work with children and young people, including our staff and volunteers.

Our safeguarding arrangements are reported on a annual basis to our **Proprietor** and our Safeguarding policy is reviewed annually, in order to keep it updated in line with local and national guidance/legislation.

We will include our Safeguarding Policy in our settings prospectus/website and will post copies of our policy throughout the setting. We are also able to arrange for our policy to be made available to parents whose first language is not English, on request.

Mobile Phones and Cameras

Children of the Forest has policies and procedures in place with regard to the use of mobile phones and cameras in the setting and on visits etc.

Related Setting Policies

'safeguarding covers more than the contribution made to child protection in relation to individual children. It also encompasses issues such as child health and safety, bullying and a range of other issues, for example, arrangements for meeting the medical needs of children, providing first aid, setting security, drugs and substance misuse, etc.

This policy will cross reference to related setting policies and other protocol:

Multi-Agency Safeguarding Hub – MASH

- Manages contacts and enquiries received from any source (usually CYPs and Police 121A reports)
- Develops a document recording the concern information and all other available information in the Hubs within agreed timescales and an Early Years and Families manager makes an informed decision using all of the available information.
- Develops concern information into an Early Years and Families referral if services are required under section 17 or section 47 of The Children Act 1989
- Liaises with the Early Response Service for children and young people who need services but do not meet The Children Act 1989 threshold
- Provides consultation to agency enquirers about thresholds, appropriate action to be undertaken and services. The Hub contributes to improved outcomes for safeguarding children because it has the ability to swiftly collate and share information held by the various agencies and to provide a multi-agency risk assessment of each case for 'actual or likely harm'.

Current Safeguarding Issues

(This section highlights optional extras that Settings may consider adopting to accompany their Safeguarding policy)

The following Safeguarding issues are all considered to be child Protection issues and should be referred immediately to the most relevant agency. The issues featured below are linked to guidance and local procedures which can be found on the South West Child Protection Procedures at <http://www.proceduresonline.com/swcpp/> (Direct links to the policies listed below are included where available).

E-Safety Children and young people can be exploited and suffer bullying through their use of modern technology such as the internet, mobile phones and social networking sites. In order to minimize the risks to our children and young people ~~Xxxxxxxxxxx~~ will ensure that we have in place appropriate measures such as security filtering, and an acceptable use policy linked to our E-Safety policy. We will ensure that staff are aware of how not to compromise their position of trust in or outside of the setting and are aware of the dangers associated with social networking sites.

Our E-safety policy will clearly state that mobile phone, camera or electronic communications with a child or family at our setting is not acceptable other than for approved setting business. Where it is suspected that a child is at risk from internet abuse or cyber bullying we will report our concerns to the appropriate agency.

Child sexual exploitation (CSE) The sexual exploitation of children and young people under 18 involves exploitative situations, contexts and relationships where young people, (or a third person or persons) receive something, (e.g. food, accommodation, drugs, alcohol, cigarettes, affections, gifts, money) as a result of them performing and/or others performing on them, sexual activities. Child sexual exploitation can occur through the use of technology without the child's immediate recognition; for example being persuaded to post sexual images on the internet/mobile phones without immediate payment or gain. In all cases those exploiting the child/young person have power over them by virtue of their age, gender, intellect, physical strength and/or economic or other resources. Violence, coercion and intimidations are common, involvement in exploitative relationships being characterised in the main by the child's or young person's limited availability of choice, resulting from their social/economic and/or emotional vulnerability. (DCSF 2009) Link to guidance⁶

Good practice – Individuals Recognise the symptoms and distinguish them from other forms of abuse

- Treat the child/young person as a victim of abuse

6

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/278849/Safeguarding_Children_and_Young_People_from_Sexual_Exploration.pdf

- Understand the perspective / behaviour of the child/young person and be patient with them
- Help the child/young person to recognise that they are being exploited
- Collate as much information as possible
- Share information with other agencies and seek advice / refer to Social Care

Good practice - Organisations

- Ensure robust safeguarding policies and procedures are in place which cover CSE
- Promote and engage in effective multi-agency working to prevent abuse
- Work to help victims move out of exploitation
- Cooperate to enable successful investigations and prosecutions of perpetrators

Forced marriages (FM) FM is now a specific offence under s121 of the Anti-Social Behaviour, Crime and Policing Act 2014 that came into force on 16 June 2014.

A FM is a marriage conducted without the valid consent of one or both parties, and where duress is a factor. Forced marriage is when someone faces physical pressure to marry (e.g. threats, physical violence or sexual violence) or emotional and psychological pressure (e.g. if someone is made to feel like they're bringing shame on their family). This is very different to an arranged marriage where both parties give consent.

FM is illegal in England and Wales. This includes:

- taking someone overseas to force them to marry (whether or not the forced marriage takes place)
- marrying someone who lacks the mental capacity to consent to the marriage (whether they're pressured to or not)

Link to the guidance:⁷

Under-age Marriage In England, a young person cannot legally marry until they are 16 years old (without the consent of their parents or carers) nor have sexual relationships.

Female Genital Mutilation (FGM) FGM is child abuse and a form of violence against women and girls, and therefore should be dealt with as part of existing child safeguarding/protection structures, policies and procedures. FGM is illegal in the UK. In England, Wales and Northern Ireland, the practice is illegal under the Female Genital Mutilation Act 2003.

Other than in the excepted circumstances, it is an offence for **any person (regardless of their nationality or residence status)** to:

- perform FGM in England, Wales or Northern Ireland (section 1 of the Act);
- assist a girl to carry out FGM on herself in England, Wales or Northern Ireland (section 2 of the Act); and
- Assist (from England, Wales or Northern Ireland) a non-UK person to carry out FGM outside the UK on a **UK national or permanent UK resident** (section 3 of the Act).

Link to the guidance:⁸

Ritualistic Abuse Some faiths believe that spirits and demons can possess people (including children). What should never be considered is the use of any physical or psychological violence to get rid of the possessing spirit. This is abusive and will result in the criminal conviction of those using this form of abuse even if the intention is to help the child.

Sexually Active under Eighteen years old It is acknowledged by those working with young people that most young people under the age of 18 will have an interest in sex and sexual relationships. The Protocol for Sexually Active Young People under 18 years old has been designed to assist those working with children and young people to identify where these relationships may be abusive, and the children and young people may need the provision of protection or additional services.

Safeguarding Disabled Children Disabled children have exactly the same human rights to be safe from abuse and neglect, to be protected from harm and achieve the Every Child Matters outcomes as non-disabled children.

7

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/380125/MultiAgencyPracticeGuidelinesNov14.pdf

8

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/380125/MultiAgencyPracticeGuidelinesNov14.pdf

Disabled children do however require additional action. This is because they experience greater risks and 'created vulnerability' as a result of negative attitudes about disabled children and unequal access to services and resources, and because they may have additional needs relating to physical, sensory, cognitive and/ or communication impairment (*Safeguarding Children, DCSF, July 2009*) **Children of the Forest** will ensure that our disabled children are listen too and responded to appropriately where they have concerns regarding abuse. In order to do this we will ensure that our staff and volunteers receive the relevant training to raise awareness and have access to specialist staff in the event they have concerns regarding abuse of a child.

Safer Recruitment and Selection It is a requirement for all agencies to ensure that all staff recruited to work with children and young people are properly selected and checked. At **Children of the Forest** we will ensure that we have a member on every recruitment panel who has received the appropriate recruitment and selection training. That all of our staff are appropriately qualified and have the relevant employment history and checks to ensure they are safe to work with children in compliance with the Key Safeguarding Employment Standards.

Honour Based Violence Honour based violence' is a crime or incident, which has or may have been committed to protect or defend the honour of the family and/or community'. It is important to be alert to signs of distress and indications such as self-harm, absence from setting, infections resulting from female genital mutilation, isolation from peers, being monitored by family, not participating in setting activities, unreasonable restrictions at home. Where it is suspected that a child/young person is at risk form Honour based violence **Children of the Forest** will report those concerns to the appropriate agency in order to prevent this form of abuse taking place.

Trafficked Children Child trafficking involves moving children across or within national or international borders for the purposes of exploitation. Exploitation includes children being used for sex work, domestic work, restaurant/ sweatshop, drug dealing, shoplifting and benefit fraud. Where **Children of the Forest** is made aware of a child is suspected of or actually being trafficked/exploited we will report our concerns to the appropriate agency.

Domestic Abuse The Government defines domestic abuse as "*Any incident of threatening behaviour, violence or abuse (psychological, physical, sexual, financial or emotional) between adults who are or have been intimate partners or family members regardless of gender or sexuality*".

Staff need to understand what is required of them if children are members of the household where domestic abuse is known or suspected to be taking place. Our policy includes action to be taken regarding referrals to the Police and Children and Young People's Services and any action to be taken where a member of staff is the alleged perpetrator or victim of domestic abuse. At **Children of the Forest** we will follow our safeguarding policy and report any suspected concerns regarding Domestic Abuse to the relevant agency.

Private Fostering Private fostering is an arrangement made between the parent and the private foster carer, who then becomes responsible for caring for the child in such a way as to safeguard and promote his/her welfare.

A privately fostered child means a child under the age of 16 (18 if a disabled child) who is cared for and provided with accommodation by someone other than:

- A parent.
- A person who is not a parent but has parental responsibility.
- A close relative.
- A Local Authority.

for more than 28 days and where the care is intended to continue. It is a statutory duty for us at **Children of the Forest** to inform the Local Authority via MASH where we are made aware of a child or young person who may be subject to private fostering arrangements.
